

Microbiologist's Society India and
Shri R.L.T College of Science, Akola

MICRANS Where knowledge is admired...

'Microbiology Innovative Creations by Research Array of Noble Scholars'

Annual Report

(2019-2020)

MICRANS is a society formed by the collaboration of Department of Microbiology, Shri R.L.T College of science, Akola and Microbiologist Society India. MICRANS started from inspiration by Dr. V.D. Nanoty, Principal Shri RLT College of Science, Akola and aims to bring the academic knowledge of students on a social level. It encourages the students towards welfare of common people. MICRANS guides the students to assist the society about health prospective.

Following activities were organized and conducted successfully by the department of microbiology and biochemistry under MICRANS in association with microbiologist society India.
