To,
The Principal
RLT College
Akola.

Subject - Regarding evaluation of osteoporosis in high risk population of your office.

Respected sir,
I.M.A. Akola, Rotary club, Akola and Shri Arvind Hospital, Akola are planning to identify high risk office working population for osteoporosis. Osteoporosis makes bones brittle and increases risk of fractures. Early evaluation and treatment of osteoporosis reduces chances of fracture and gives healthy and independent old age.

We will be using BMD i.e. bone mineral density by calcaneal index to evaluate osteoporosis, which will be arranged for your employees, free of cost by Shri Arvind Hospital, Akola.

Kindly communicate suitable date for your office in view of this Program. Screening of osteoporosis can be carried out of any suitable place or at Shri Arvind Hospital, Akola.

This data will be submitted to Health authorities of Akola.

Thanking you.

Dr. Mahendra Kale
President

Dr. Tejas Waghela ■ Amol Kelkar
Secretary
