National Online Workshop on Intellectual Property Rights & Patent Filing

30th August 2021

Intellectual property rights are given to people to earn recognition or financial benefit from what they invent or create. The Department of Microbiology, Alumni Association, and IQAC of Shri RLT College of Science, Akola, in Collaboration with the IPR Cell SGB Amravati University, Amravati, organized a National Online Workshop on Intellectual Property Rights & Patent Filing on 30th August 2021. The researchers and academicians were introduced to the fascinating world of Intellectual Property Rights and patent filing procedure. Intellectual property rights are an inventible tool for today's globalized economy.

On this occasion, Honorable Adv. M.G. Mohta, President of B.G.E. Society, Shri. P. N. Maheshwari, Hon. Secretary and all executive members wished their best for the success of the event. Dr. Aniket Gade, Assistant Professor of Department of Biotechnology (SGB Amravati University, Amravati), who is an alumnus of our college and holds a Post Doctoral degree (USA), gave an invited talk on Intellectual Property Rights. From this webinar, participants were informed about various intellectual property rights, patent filing, and patent-related information. Around 230 participants from various institutions registered for the event. The attendees were from renowned institutes such as CV Raman University (Bilaspur, Chhattisgarh), CDSCO (New Delhi), Guru Nanak Khalsa College (Mumbai), St. Wilfred's College (Panvel), St. Xavier's Institute (Mumbai), RNS institute of pharmacy (Gwalior), Indian Institute of Technology (Roorkee), ITM university (Gwalior), and Chittrakoot (MP). Of these, approximately 45% were post-graduate students and 40% were academicians from interdisciplinary subjects, whereas 14.3% were research scholars. The participants provided positive and constructive feedback. Many participants suggested that more such events should be conducted to introduce such important and useful subject areas.

This event was successfully organized under the esteemed guidance of Dr. V. D. Nanoty (Convener), Dr. R. L. Rahatgaonkar (IQAC coordinator), and Dr. H. S. Malpani (organizing secretary). Dr. V. D. Nanoty delivered the presidential speech, Dr. H.S Malpani communicated with an introductory speech, and Dr. S. R. Kohchale hosted the entire program with technical assistance from Mr. R. B. Ghayalkar and Mr. S. R. Jaiswal. The vote of thanks was delivered by Mr. R. D. Choudhari (Chairman of the Alumni Association). Organizing committee members Dr. S. M. Nagrale, Dr. P. T. Agrawal, Mr. R. D. Choudhari, Dr. A. G. Sarap, Ms. S. N. Gawande, and all teaching and non-teaching staff took efforts for the successful organization of the this webinar.

How do I register a patent?

Go to www.ipindia.nic.in - the website of the Indian Patent Office. It will tell you all about how you can apply for a patent.

You need to contact a "patent agent" who is an adult who is trained to "write" your patent application and apply on your behalf to the government. A list of patent agents is provided on the website.

You need to pay a fee.

Your application will be "examined" and if it satisfies the tests of a patentable invention, you will be granted a patent.

Hazardous Management and Fire Extinguisher Demonstration Workshop

One Day Level workshop on Hazardous Management and Fire Extinguisher Demonstration workshop was organized by Department of Chemistry and Disaster Management Club of Shri.L.T.College of Science, Akola on 16th September 2021. The objective of this workshop is to bring awareness among the Teaching, non-teaching staff and the post-graduation students about the hazardous management. The workshop also aims to give demonstration and training to the teaching, non-teaching staff members as well as M.Sc. Chemistry students about the use of fire extinguisher. How this fire extinguisher work, what are the different types of Hazardous in laboratory and how can you manage all this hazardous. I

The workshop started with the inauguration function Dr.Murlidhar Waderkar Hon'ble Joint Director of Amravati University who is also a man of Chemistry was the inaugurator of this workshop. Dr. V.D. Nanoty, Principal Shri R.L.T.College of Science, Akola was the President of this function. Respected Dr. Rameshwar Bhise, Principal, Shri Shivaji College Akola, Prof.Dr. K.N.Puri, Head department of chemistry Shri Shivaji college of science, Akola and Dr. S.V.Kolhe, Associate Professor, Department of Chemistry Shri Shivaji College Akot, graced the Programmed. The Programme started with the felicitation of guests.

Dr. PravinKawle, Assistant Professor department of Chemistry conduct the inauguration programme. Dr. Poonam Agrawal, Associate Professor and Head department of Chemistry, Shri R.L.T. College of Science, and Organizing secretary of the workshop gave the introductory speech.

Hon'ble DR. Murlidhar Wadekar in his inaugurator speech appreciated the department of chemistry for organization of such type of demonstration workshop. He also felt sorry to say that many organization have all the safety equipment's but the staff members are unable to handle it. Due to lack of knowledge of handling and managing this hazardous situation many accidents may occur so it is good initiatives taken by Shri R.L.T.College of Science, Akola.

Principal Dr. V.D. Nanoty, in his presidential speech motivated the students towards to take such training and be aware of such types of incidents. Dr. Aashish Saraf Proposed the vote of thanks. Total 117 students and teaching and non-teaching staff members get benefited by this workshop.

During the first technical session Dr. Poonam Agrawal, Organizing secretary and head department of Chemistry deliver the lecture on various hazardous in the laboratory and safty measure about how to handle such types of hazardous. She explain in detail about the various hazardous management.

In the second technical session Dr. Sudhir Kochale, Assistant Professor and director of Disaster management club of shri R.L.T.College of Science gave the information about various types of fire Extinguisher and also gave the demonstration and training to the non-teaching staff and students of the fire extinguisher. All the staff members and students get benefited by this workshop.

Dr. P.R. Kawle, Dr. Aashish Sarp, Dr. Kavita Heda, Dr. V.D. Deotale, Dr. R.L. Rahatgaonkar, Prof. R.D. Choudhary, Dr. Sudhir Kochale, Dr. Harish Malpani took the efforts for the successful organization of this events.

One Day National Level Workshop on Process of Drug Designing and Drug Discovery

One Day National Level workshop on The Process of Drug Designing and Drug Discovery was organized by Shri.R.L.T.College of Science, Akola on 4th October 2021. The objective of this workshop is to educate next-generation scientists about rational drug design, discovery & development of drugs. This workshop is an educational forum that endeavours to provide a comprehensive overview of the drug discovery process against a back drop of the technology and research revolution and includes a horizontal overview of the disciplines involved in the drug discovery process and a vertical delve in to the critical elements of each discipline.

The design and production of drugs is a field in which chemistry has had a favourable impact on life expectancy and quality over the past century. As such, this field provides a rare opportunity to introduce several concepts in chemistry and biochemistry to a large audience.

It is widely known that the design and development of a new drug generally costs more than 1 billion dollars in total and takes at least 10 years, while, despite all these efforts, only a very limited number of drug discovery projects will lead to the actual release of a new drug. Several technologies have been developed to rationalize the process by reducing duration, cost, and attrition rate, one of which is computer-aided drug design (CADD). CADD uses computing resources, algorithms, and 3D-visualization to help generate rational ideas about how to create or modify molecules, and to make decisions in the execution of the drug design process.

The workshop started with the inauguration function. Prof. Ram Chavhan sir, Head department of Electronics, Shri R.L.T.College of Science, Akola and CDC member of our college was the inaugurator for this function. Dr. V.D. Nanoty, Principal Shri R.L.T.College of Science, Akola was the President of this function. DR.Lokeshkumar Gandhi, Associate Professor, SGSPS Pharmacy College Akola and Prof. S.L.Khan, Assistant Professor NBS Institute of Pharmacy Ausa, Latur, graced the Programmed.

DR.PravinKawle, Assistant Professor department of Chemistry conduct the inauguration programme. Dr. Poonam Agrawal, Associate Professor and Head department of Chemistry, Shri R.L.T.College of Science, and Organizing secretary of the workshop gave the introductory speech. Prof. R.G.Chavhan sir in his inaugural speech explain the need of more research in the field of Drug designing.

Principal Dr. V.D. Nanoty, in his presidential speech motivated the students towards to move towards this new era of drug designing. Dr. Aashish Saraf Proposed the vote of thanks. Total 100 students get benefited by this workshop.

First technical session was conducted by Dr. Pravin Kawle sir, Dr.Lokeshkumar Gupta was the resource Person for first session. In his lectures sir make the students aware about different terms used in drug discovery and technique used for the manufacturing of drugs.. The session ends by the vote of thanks by DR. Vinod Deotale.

In the second technical session Prof.S.L.Khan demonstrated the process of drug designing with the help of software. The students also tried at their own the drug designing by using the software. Really it was a very nice hand in experienced for the students. Dr. Vinod Deotale conducted this technical session two.

The valedictory function was graced by the presence of hon'ble DR. Dileep Malkhede sir The Vice Chancellor of the santGadge Baba Amravati University, Amravati. Sir was the chief Guest for this occasion. Hon'ble Adv. MotisinghjiMohta, the President of the B.G.E. Society, was at the presidential seat of this valedictory function. Respected DR. ShriprabhuChapke, Principal, Smt. L.R.T. Commerce College , Akola, Respected Dr.Devendra Vyas, Principal smt. R.D.G. Women College , Akola, Dr. Gajanan Egaonkar, Principal NathmalGoenka Law College Akola, were the guest of Honour for this occasion. The valedictory function begins with lightning of lamp followed by the welcome of the guests.

Principal DR. V.D. Naoty sir gave welcome cum introductory speech and also gave the details of the registration and beneficiaries of the workshop.

dable work 'Create scientific vision among students'

■ District Correspondent
AKOLA, Oct 8

THE faculty should use innovative methods in teaching and create scientific vision among students. Thoughtful innovation is the key to develop a new technology, asserted Dr. Dileep Malkhede, Vice-Chancellor, SGGGS, Gadgaon, Amravati University, Amravati. He was addressing the valedictory function of the one-day workshop on Pharmaceutical Development and Research held at local Shri R.L.T. Science College, Akola.

Dr. Dileep Malkhede, Vice-Chancellor, SGGGS, addressing the workshop at Shri R.L.T. Science College, Akola.

Addressing further, V.C. Dr. Malkhede appealed to the researchers to undertake research innovatively to address the present conditions and create employment opportunities. Around 250 academicians including lecturers, researchers, students and staff of the workshop, Adv. Motinsinghji Mohta, in his address, hoped that the college would organize such workshops which boost academic discipline. At the outset, the programme started by chanting verses from Gyanprastha. Principal Dr. Vijay Narote presented the report. Dr. Sudhir Kochale, coordinator of the programme, Dr. Poonam Agrawal, proposed a vote of thanks.

Presented at the hands of Union

an various subjects at the institute in the State. Sahakar Bhawan has honored him for his work. NP Herant Facit, Founder of Gadgaon, Amravati, President Rajesh Patil and all the Board of Directors congratulated the Managing Director Dhananjay Thakkar and wished him all the best for the future.

Hon'ble Vice Chancellor Dr. Dileep Malkhede appreciated the efforts taken by the department of chemistry for organizing such workshop at district level. He focused on the importance of such type of programme, He also mentioned that there is a need in redrafting of syllabus where there should be incorporation of such skill based programme.

Hon'ble adv. Motinsinghji Mohta sir in his presidential speech highlighted that college is always ahead in organization of such skill based and job oriented programme. He gave assurance to the Hon'ble Vice chancellor that in future also The B.G.E. Society always take initiation in such organization. He also appreciated the department of chemistry for such nice organization always taking such programme like perfume making soap making, agarbatti making which provides job opportunity to the students.

The programme was conducted by DR. Sudhir Kochale, Assistant Professor department of Zoology, Shri R.L.T. College of Science Akola and DR. Poonam Agrawal, organizing secretary Proposed the vote of thanks.

DR. R.D. Chandrawanshi, Dr. P.P. Deohate, Dr. Kavita Heda, DR. R.L. Rahatgaonkar, Prof. R.D. Choudhary, Dr. Harish Malpani, Shri R.B. Ghayakar, Shri S.R. Jaiswal took the efforts for the successful organization of this events.

National Workshop on New Education Policy-2020

A one-day National level workshop was organized on 3/12/2021 on **New Education Policy-2020** by the Berar General Education Society's Shri R.L.T. College of Science, Akola in collaboration with Sant Gadge Baba Amravati University, Amravati. The main objective of the workshop is to bring awareness regarding the New Education Policy 2020 among the participants. The Programme also aimed to teach participants the various important aspects of NEP.

The need for new education policy was felt in the country for a long time. Three national education policies have been introduced in India till now. The emphasis of previous policies on education was mainly on issues of access to education.

The new education policy has been brought in keeping with the view the current and future needs, which can hold to large scale transformative reforms in both the school and higher education sectors. To achieve full human potential education is fundamental requirement for the development of a just and equitable society and to promote national development.

The whole world is undergoing rapid changes in the knowledge landscape. In this content, the new educational policy will replace 34-year-old National education policy framed in 1986.

The Programme started with the inauguration session and was inaugurated by Respected, Dr. Avinash Mohril sir, Principal Mahila Mahavidyalaya, Amravati. Hon'ble Adv. Motisinghji Mohta sir, The President of The Berar General Education Society was the President for this inauguration session. Dr. V.D. The programme was held both in offline as well as online mode. Total 200participants get benefited by this workshop.

The Programme was started with lighting of lamp followed by University Song; felicitation of guests; Welcome and introductory speech by the Principal, Dr. V.D.Nanoty sir; inauguration speech by DR. Avinash Mohril sir.

Hon'ble Adv. Motinsinghji Mohta sir mentioned the importance of this policy and also explain how the teacher fraternity would be benefited by this kind of workshop in his presidential speech.

The First Technical session started with importance of Languages, arts and culture in new education policy Dr.

Avinash Mohril sir focused on the importance of languages, arts and culture in new education policy. He also explains that the teachers play role in setting the goals of this new education policy. He further highlighted the need of educational environment is must for the teachers to follow this education policy. This technical session was chaired by Dr.MamtaNgole madam.

The inauguration function and first technical session was conducted by Dr. Sudhir Kochale sir, Introduction of guest was given by Dr. Kavita Heda madam and vote of thanks was proposed by Dr. A.G. Sarap.

The second technical session was on the online and digital teaching. In Second session Dr. Rupa Gupta madam highlighted on the importance of online and digital teaching. Also explained how this online teaching stood a best tool of teaching during this pandemic condition of covie-19. Further madam has given all the

information regarding Swayam portal to all the participants. Dr. Milind Shirbhate, Shankarlal Khandelwal College Akola chair this technical session.

This technical session and valedictory function was conducted by DR. Harish Malpani and Dr. Poonam T.

To achieve full human potential, education is fundamental requirement for the development of a just and equitable society and to promote national development. The whole world is undergoing rapid changes in the knowledge landscape. In this context, the new educational policy will replace 34 year-old-National educational policy framed in 1986.

The new educational policy 2020 proposes some changes, including the opening of Indian higher education in foreign universities, the introduction of four year multi-disciplinary under-graduate program with several exit point. The objective of New Education Policy is to make india a global knowledge superpower. The policy also proposes that all universities and colleges aim to be multi-disciplinary in future

This policy also boost employment in the country and fundamental changes in our educational system.

Dated On
Monday, 27th December 2021
Speaker: Shri Prasad Pangarkar
(Assistant Vice-President Reliance Industry Mumbai)

Crystal Club of Department of Chemistry organized Seminar on Job opportunities in Industry for the Post graduation department of Chemistry and microbiology students. Mr. Prasad Pangarkar delivered the lecture on this topic.

A chemical engineer by profession, Mr. Prasad Pangarkar is an alumnus of RLT Akola. Mr Pangarkar graduated from LIT Nagpur. He completed his post-graduation from UDCT Mumbai and joined the industry. He has nearly two decades of industrial experience which spans in the domains of operations, technology, research, engineering & projects, process automation & business management.

He started his career at Reliance Industries Ltd at the Patalganga Manufacturing Division and has handled various projects in different capacities. After an initial stint in operations, he moved to the research & technology function. Among the various assignments handled by him, notable were the studies towards packed bed & CSTR reactor modelling, recovery of value added chemicals from residue, and effluent degradation studies of polycarboxylic acid. He later worked in the engineering & projects domain and was part of erection & commissioning of then one of the largest capacity purified terephthalic acid (PTA) plant. After completing his course from IIM-Bangalore he briefly worked in the capacity as executive assistant to the Technology & R&D head. Later he was associated with the management projects viz the business transformation at Reliance

He has represented at various seminars and conferences and has also contributed for a chapter on reactor design in the book 'Design of Multiphase Reactors' by Wiley Publications. He is the

recipient of the 'Outstanding Young Chemical Engineer' award which was bestowed by the Indian Institute of Chemical Engineers. He has also received the National award i.e. the 'NOCIL award for excellence in design or development of process, plant & equipment' during the annual chemical engineering congress – CHEMCON-2011. He has a patent in his name on the same.

His interests lie in the field of new product development, scale-up and process automation. He is presently working at the Reliance Technology Centre of Excellence as group lead (Assistant Vice President) for process design, scale up and process automation projects.

Dr. V.D. Nanoty sir was the President of this Programme. DR. Poonam Agrawal, Head Department of the Chemistry was the organizing secretary of the functions. The programme was graced by the presence of Dr. P.P.Deohate, Associate Professor, Department of Chemistry, Dr. Harish Malpani, HOD department of Microbiology and Dr. Aashish Sarap, Assistant Professor Department of chemistry. The Programme was conducted by Dr. Kavita Heda.

The Programme begins with the floral welcome of the guest.

Dr. V.D.Nanoty sir in his welcome speech explain the importance of such types of seminar and motivated the students to face various competitive examination.

DR. Poonam Agrawal in her introductory speech explain the motto behind such programme and also explain the various activity under taken by crystal club for the students to face them the challenges of this competitive world.

The main part of the seminar is the speech of Shri Prasad Pangarkar. He captured the concentration of gathering by his effective lectures. In his lecture he explain various opportunities for the students in various industries, qualification require for such examinations and process of the applying for such jobs. Though a man of chemical Engineering he explain the importance and the vital role of the pure sciences in various industries. He motivated students for research work.

Overall the lecture was very fruitful for all the students. 65 students and seven research scholar of the department of chemistry and microbiology get benefited by this seminar.

P.G.Department of Chemistry had published online magazine on world Innovation day on the eve of World creativity and Innovation day on 21th April 2022. at the hands of Hon'ble District Collector of Akola district. Thirty Six students of P. G. Department of Chemistry gave one Innovative theme/ Idea and these concepts were compelling in the form of magazine which was published online on 21th April 2022. **Dr. Poonam Agrawal** was the coordinator and Editor of this magazine and **Dr. Kavita Heda and Dr. Aashish Sarap** was the member of editorial board.

One week Certificate Course on

“Skill Development for Pharmaceutical Industry”

Jointly organized by Microbiology departments of Shri. R.L.T College of Science, Akola and Shankarlal Khandelwal College, Akola and Global Institute for Self-Motivation

Date: 9/05/22-15/05/22

The Indian pharmaceutical industry is the world's 3rd largest by volume and 14th largest in terms of value. Major Segments of Pharmaceutical Industry are Generic drugs, OTC Medicines and API/Bulk Drugs, Vaccines, Contract Research & Manufacturing, Biosimilars & Biologics. India has the second-highest number of US FDA approved plants outside the US and is a global leader in the supply of DPT, BCG, and Measles vaccines. India accounts for 60% of global vaccine production, contributing 40-70% of the WHO demand for Diphtheria, Tetanus and Pertussis and Bacillus Calmette–Guérin vaccines, and 90% of the WHO demand for the measles vaccine. India is the largest provider of generic drugs globally. Access to affordable HIV treatment from India is one of the greatest success stories in medicine. India is one of the biggest suppliers of low-cost vaccines in the world. Because of the low price and high quality, Indian medicines are preferred worldwide, thereby rightly making the country the “Pharmacy of the World”. Pharma sector currently contributes to around 1.72% of the country's GDP. Owing to India being a major component of the country's foreign trade, it brings with attractive avenues and opportunities for the youth.

With this increase in the global pharmaceutical industry opportunities in India, it is important to inform and prepare the rural youth about the job opportunities in the same. The Department of Microbiology of Shri. R.L.T College of Science, Akola and Shankarlal Khandelwal College, Akola and the Global Institute for Self-Motivation undertook this task and jointly organized One week Certificate Course on “Skill Development for Pharmaceutical Industry” for the students in Vidharbha region. This was a novel program initiated by the Berar General Education Society and Shikshan Prasarak Mandal, Akola. The mode of the workshop was both offline and online for the comfort of the participants.

The inauguration ceremony of the workshop was conducted in the Auditorium of Shri. R.L.T College of Science, Akola. Adv. M.G Mohta (President, The B.G.E. Society, Akola) was the inaugurator of the workshop. The dais was graced by Mr. P.N Maheshwari (Hon. Secretary, The B.G.E Society, Akola), Prof. R.D. Chaware (Vice-president, Shikshan Prasarak Mandal, Akola), Shri. A.Y. Kulkarni (Vice-president and Treasurer, Shikshan Prasarak Mandal, Akola), Dr. V.D. Nanoty (Principal, Shri. R.L.T College of Science, Akola), Dr. J.M. Saboo

(Principal, Shankarlal Khandelwal College, Akola), Dr. R.L. Rahatgaonkar (IQAC co-ordinator, Shri. R.L.T College of Science, Akola), Dr. A.R. Deshpande (Head, Department of Microbiology, Shankarlal Khandelwal College, Akola), and the Resource person of the event Dr. Anil Fokmare (Director, Global Institute for Self-Motivation).

The participants came from various colleges in Vidharbha region including Shri. R.L.T College of Science, Akola, Shankarlal Khandelwal College, Akola, Shri. Shivaji College of Science, Arts, Commerce, Akola, and Shri. D.M. Burungule Science and Arts College, Shegaon. About 143 participants were involved in the workshop.

The inaugural ceremony was followed by the first day of the offline course. In the first session, Dr. Anil Fokmare introduced the students to basics of pharma industry, working and daily protocols of operations followed in the pharma industry. His interactive session also covered the importance of Good Manufacturing Practices (GMP) and the methods to maintain GMP standards in the industry. He made the students aware of the standard operating procedures that enable smooth and accurate functioning in industries. Through his presentation, he showed various areas in a working pharma laboratory and the do's and don'ts in these areas. He explained how simple habits can lead to maintenance of the GMP protocol and save the products and batches from contamination and spoilage.

The workshop also focused on the instruments and equipment quantification in pharma industry with respect to the design, installation, operating, and performance. It also included the certification and training details in pharmaceutical labs. The participants learnt about the role of microbiology laboratory in pharmaceutical research sector along with its key components like sterilization, safety measures, and machines. Good laboratory practices (GLP) are an important part of any laboratory. Similarly, GLP are followed in pharma industries to ensure that the products are accurate. Dr. Anil Fokmare educated the students regarding the various methods of GLP and the importance of following GLP protocols.

In the second session, the workshop was graced by Shri. V. Ranganathan, Ex-chief secretary of Maharashtra state. He is a retired civil servant from the IAS cadre with decades of distinguished service at senior level in state and central government. He currently devotes his time to social organizations and advises a prestigious trust and co ordinates its activities. He encouraged the students to attend such workshops and emphasized on the need to make the students ready to face the corporate world. He also congratulated the associated colleges, staff and students for organizing the workshop.

Dr. Anil Fokmare concluded the session with feedbacks from the participants. The participants expressed that the 7-hour workshop was interactive and valuable in terms of learning.

The second day of the offline workshop was conducted in the Auditorium of Shri. R.L.T College of Science, Akola. The participants were exposed to various opportunities in pharmaceutical industries and the ways they can apply for specific positions. They also learnt about the career opportunities associated with pharma sector including clinical data management, analytical and green chemistry, regulatory affairs, consultation, sales representative, and others. Not only this, they were also informed about the certification and experience required for these jobs and the companies that hire freshers for work. The resource person also emphasized that candidates from all fields of life science and chemical science are employed and trained according to their requirements and area of expertise.

The participants were given a general idea about the instruments by visiting the laboratories of the college. This included microbiology, biochemistry, and chemistry labs. The session was progressed by exhibiting the techniques used in a microbiology lab which included basic tests for calibration, enumeration, and sensitivity and advanced tests like PCR and chromatography. During the lab visit, the participants were demonstrated the protocol of dressing and the importance of wearing the required attire which included cap, gown, shoe covers, and hand gloves. The hazards and problems associated with not following these protocols were also discussed. The laminar air flow containing HEPA filters were also shown and the importance of having an aseptic condition in microbiology was discussed. The other instruments were autoclave, hot air oven, incubator, ultrasonicate, pH meter, colorimeter, spectrophotometer, and other glassware.

After the instrumentation session, the participants were exposed to the techniques used in microbial identification. This included various media used in the lab along with other conditions that need to be maintained in order to promote the growth of microbes.

The day was concluded by a mock drill of the SOPs followed in a microbiology lab in pharma and the students actively participated in it.

The third day of the workshop was conducted in the Bhausahab Godbole Sabhagruh of Shankarlal Khandelwal College, Akola). The president of the event was Shri. Gopalji Khandelwal (Secretary, Shikshan Prasarak Mandal, Akola) and the guests of honor were Adv. M.G. Mohta (President, The B.G.E. Society, Akola), Shri. P.N Maheshwari (Hon. Secretary, The B.G.E Society, Akola), Shri. A.Y. Kulkarni (Vice-president and Treasurer, Shikshan

Prasarak Mandal, Akola), Dr. Anil Fokmare (Director, Global Institute for Self-Motivation), Dr. V.D. Nanoty (Principal, Shri. R.L.T College of Science, Akola), and Dr. J.M. Saboo (Principal, Shankarlal Khandelwal College, Akola).

The first session was started with feedbacks from the participants about the overall workshop of the initial two days. The participants expressed pleasure and gratitude that both the societies and colleges conducted such an informative workshop. Most students accepted that they were worried that a 7-hour workshop every day would be monotonous and involve lots of reading and self-study, but they were happy that the course was informative, well-structured, engaging, and easy to understand. Many participants appreciated Dr. Anil Fokmare for being very enthusiastic and keeping them captivated with his activities. They also shared that the assignments and projects given to them were benefitting and promoted deeper understanding of the subject.

The highlight of this day was a 'Book launching event' of 3 Practical handbooks—i) Applied microbiology and biotechnology, ii) Environmental microbiology and biodiversity, and iii) Immunology and medical microbiology. These books have been authored and edited by the microbiology teachers of Sant Gadge Baba Amravati University, Amravati and published by My Rays Book Publication Center founded by Mr. Rajesh Dhakane and powered by International journal of microbial science.

The workshop was continued after the feedback session and book launch event. This day of the workshop focused on Good Documentation Practices (GDP) in pharma sector. Dr. Fokmare explained that to ensure smooth functioning of any industry, it is important to follow the guidelines mentioned for the documentation of every action. Documentation is an authenticated proof for GMP compliance and is a crucial part of the quality assurance system. Before documenting, the processes are validated, instruments are calibrated, staff is trained to maintain protocols, and SOPs are established. The documentation is examined during routine and annual audits and any problems in the documentation could lead to termination of the batch of products or cancelation of licenses. These were discussed in the workshop.

The workshop ended with a mock interview session to build confidence in the participants. The students were interviewed and were provided constructive feedbacks on their performance. They were also conveyed if they would be selected or not on the basis of the interview. The day was filled with hands on training and interview demonstration and the participants benefitted from it.

The last 3 days of the workshop was conducted online using the Google Meet platform. The participants were asked to keep the camera on to ensure complete attention. These days emphasized on providing the students with information regarding the process of GDP and GMP compliance and the systems of auditing. Dr. Fokmare focused on the importance of document compliance and errors that occur during the same. He explained how 'root cause analysis' is done after finding the errors. The 'corrective action preventive plan' was also discussed by giving some examples from the industry. The Code of federal regulation (CFR) was explained along with its standards. Data integrity is simply the maintenance, assurance, accuracy and consistency of data and is of utmost importance. It can lead to many repercussions if not dealt with care. It aims to prevent any unwanted and unintended changes to information.

The one-week workshop was successfully conducted by the combined efforts of all participants, resource person, teaching and non-teaching staff of Shri. R.L.T College of Science and Shankarlal Khandelwal College, Akola, and the Berar General Education Society and Shikshan Prasarak Mandal, Akola.

Dear Sir,

Its my great pleasure to share with you that Career Guidance Cell of our college is regularly conducting various student centric activities since 2003. Add on Course on Personality Development is one of them.

This year we are planning to conduct this at university level.

Title of the program- Add on Course on Personality Development

Duration- 06.12.2021 to 11.12.2021

Time: Daily 05 Hours

We want to offer its benefit to larger number of students. So, we request you to collaborate with us for it. Please convey us your acceptance.

Regards,

Yours

Career Guidance Cell, Arts, Science and Commerce College, Chikhaldara is jointly organizing Add On Course On 'Personality Development' in collaboration with Jijamata Mahavidyalaya, Buldana; R. A. Arts, Shri M. K. Commerce & Shri S. R. Rathi Science Mahavidyalaya, Washim; Amolakchand Mahavidyalaya, Yavatmal and R.L.T College of Science, Akola for all the students who are

studying in Sant Gadge Baba Amravati University, Amravati. Due to COVID-19 pandemic situation we are organizing it online. Online mode has given us the opportunity to invite well known resource persons in this sector. So, we have utilized this opportunity and invited total ten resource persons for this course. This course is going to be life improving experience for all the participants.

The main objectives of the course are:

1. To develop personality of students
2. To inculcate positive thinking in students
3. To develop life skills of students
4. To inculcate employability skills among students
5. To inculcate entrepreneurship skills among students

Following topics will be covered in this course:

1. Know Thyself
2. Motivation
3. Goal Setting
4. Presentation Skill
5. Team Building
6. Corporate Culture
7. Time Management
8. Adventure
9. Stress Management
10. Ethics, Integrity & Aptitude

Information About Colleges:

❖ Arts, Science and Commerce College, Chikhaldara

Sipna Shikshan Prasarak Mandal, Amravati is established with the specific goals and mission of overall development of the people in Melghat, a tribal, remote, hilly and back ward region in Amravati and Akola district of Maharashtra state. Melghat comprises of Chikhaldara and Dharni tahsil and part of Achalpur, Anjangaon Surji and Akot tahsil. Melghat is hilly terrain at the northern extreme of the Amravati district of Maharashtra. Melghat means 'meeting of the ghats', which describes the area as a large tract of unending hills and ravines scarred by jagged

cliffs and steep climbs. It is renowned for 'Melghat Tiger Project' and 'Gugamal National Park' worldwide. Presently, the total area of the reserve is around 1677km². The forest is tropical dry deciduous in nature, dominated by teak (Tectonagrandis). Chikhaldara is a Hill Station, famous tourist destination and a municipal council in Melghat. Chikhaldara is the sole hill station known as the 'Nandanvan of Vidarbha'. Chikhaldara is situated at an altitude of 1118 mtrs with Vairat point at 1188 mtrs. Also, it has the added dimension of being the only coffee-growing area in Maharashtra. The place has a rich variety of flora and fauna with the nature's beautiful architecture spread all over the region.

Arts, Science and Commerce College, Chikhadara, Distt.: Amravati came into existence in 1996 with an intention to impart higher education to the tribal at their very door steps and ensure their well being, growth and safety. The college is assessed and accredited by NAAC, Bengaluru with B++ grade (CGPA2.77) in 3rd NAAC cycle. The college offers degree courses like B. A., B. Sc., B. Com with traditional and advanced subjects and M. Sc. (Environmental Science). Whereas in UG science stream there are innovative subjects like Petrochemical Science, Food Science, Apiculture, Industrial Chemistry and Environmental Science. The college run recognized research centers for the subjects English, Physics, Botany, Mathematics, Chemistry, Environmental Science, Marathi, Hindi, Political Science and Sociology. Besides this, the college runs various add-on and certificate courses.

Career Guidance Cell established in 2003 is one of the active and student centric committee of the college, which has been continuously working for overall development of the students. Every year the cell organizes various activities and provides services like-

- General Knowledge Test
- Science Aptitude Test
- Essay Test
- Guest Lecture Series
- Add On Course On Personality Development
- Add On Course On Soft Skills Development
- Career Counseling is the regular activity of the cell.
- The cell also extends its expertise/services to other institutes.

❖ **Jijamata Mahavidyalaya, Buldana**

Established in 1956 by Late Dr. Panjabrao alias Bhausaheb Deshmukh, the First Minister for Agriculture, India, our college is one of the 265 educational institutes run by Shri Shivaji Education Society, Amravati. The college is affiliated to Sant Gadge Baba Amravati University, Amravati and imparts education in Science, Commerce and Humanities streams at UG and PG levels. It has been awarded College with Potential for Excellence award in 2010 by UGC. NAAC Bengaluru has reaccredited the college with B Grade (CGPA 2.88) in 2013.

✚ **We offer courses in:**

- ❖ **Under Graduate:** i) Arts (Humanities) ii) Commerce iii) Science

✚ **Available Facilities and Resources**

Research Centres for Ph. D.:

- i) Chemistry ii) Zoology iii) History
- iv) Marathi v) English vi) Commerce

Recognized Research Laboratories:

- i) Chemistry ii) Physics iii) Zoology iv) Botany

Sports Facilities:

- i) 400 Mtr Running Track ii) Handball
- iii) Athletics iv) Cricket

Support Facilities:

- i) Rich Central Library
- ii) National Cadet Corps
- iii) National Service Scheme

With the mission of providing quality education the College endeavors to inculcate social, national and holistic values among students. Aspirants for various competitive exams, research, sports, culture and entrepreneurship are encouraged and supported with necessary facilities, resources and expertise.

❖ **R. A. Arts, Shri M. K. Commerce & Shri S. R. Rathi Science Mahavidyalaya, Washim**

R. A. College was established in pre-independent era in 1944 by freedom fighters and later handed over to Rajasthan Education Society, Washim in 1945 which is now affiliated to Sant Gadge Baba Amravati University. The Institution holds pride in being one of the selected few colleges in Maharashtra to have accreditation from NAAC at the A Grade consecutively in 2004, 2011 and 2017. The institute is also having "College with Potential for Excellence" (CPE) status awarded by UGC. The Vision and Mission of the institute is correlated with the objectives of the society and reflects the commitment of the institute towards holistic development of the students and inculcating the social and human values in them through academic, co-curricular and social activities. The institute runs UG, PG and various skill-based courses along with research in all streams. The institution has an array of nine research (PhD) centres in various disciplines recognized by the parent university. The main motto of the institution is, "Education with discipline and pursuit of excellence and to build and sharpen the rural students for the various opportunities available in different career fields."

Report –Women's Cell & Internal Complaint Committee (ICC) 2021-22

The Committee executed its work as follows –

- As per the guideline about the formation of Internal Complaint Committee (ICC) given by Maharashtra State Commission for women, Mumbai, Women's Cell & ICC was composed on 15.11.21 in Shri R.L.T. College of Science, Akola when the regular theory and practical classes started in the academic session 2021-22.
- Care was taken by the committee members for the comfort of the girl students by providing a common room for girl students, a separate vehicle parking, maintaining the cleanliness of the campus etc. The whole college premises are under observation of CCTV cameras by the Principal.
- The flex of ICC and suggestion box has been fixed near the Principal's office to collect girl's grievances. The Women's Cell & ICC circulated the notice for girl students to drop their suggestions, grievances in suggestion box. During this session the box was open four times in the months of December, January, March & May. Most common complaints received were about the maintenance of girl's common room and about the refill of sanitary napkins in vending machine.

Complaints were conveyed to Principal and with the help of nonteaching staff complaints were resolved.

- Chairperson of Women's Cell & ICC Dr. S.B.Tadam attended online one day State Level Workshop on "Gender and Research", at Women's studies Centre, S.G.B.A.U. Amravati on 25th February 2022.
- **Distribution of Fruits, Biscuits and Mask:**

With a view to provide the nutritional value to the needy pregnant women, delivered women and malnourished children Internal Complaint Committee (I.C.C.) and Women's Cell in Collaboration with I.Q.A.C., Shri R.L.T. College of Science Akola organized the program "Distribution of Fruits, Biscuits and Mask" in a Lady Harding, Government Hospital, Akola on Friday 18th February 2022.

First of all Women's Cell and ICC asked Dr. Kulwal madam, M.S., Lady Harding, Govt. Hospital Akola for permission to distribute fruits on 18th February 2022. After getting the permission, all the female members of Women's cell and ICC together with the girls students of the college arrived at Lady Harding at 11o'clock. The Incharge Sister Birpal madam gave the information about the different wards like Bolka ward, ward of malnourished children and ward of pregnant women.

Ward of pregnant women:

Lastly fruit bags were distributed in the ward of pregnant women. We met the pregnant women of that ward and inquired about their health. Total 25 pregnant women were there in that ward.

Total 60 fruit bags were distributed. By distributing fruits and biscuits, our objective to provide nutritional value to the needy pregnant, delivered women and malnourished children has been achieved. In this way we were able to contribute a little bit to provide nutritional value to the needy pregnant, delivered women and malnourished children.

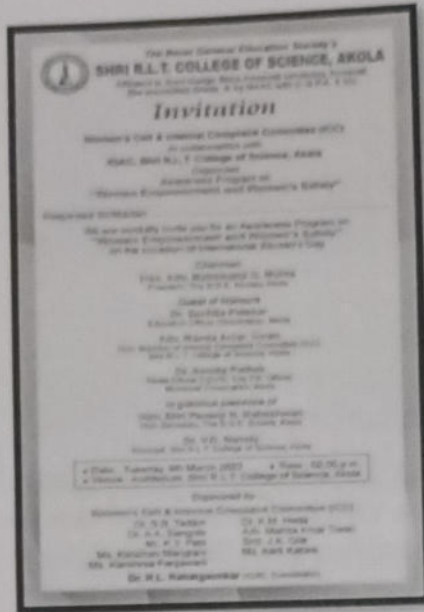

The program was successfully organized under the valuable guidance of Principal Dr. V.D.Nanoty and special assistance was provided by M.S. Dr. Aarti Kulwal, Incharge sister Birpal, Health worker Surekha Ghuge, Lady Harding, Government Hospital, Akola. And also got valuable support of Physical Director Prof. Dr. R. There was a time when the word 'Feminism' or 'Women Empowerment' was not even coined. There was a time, when women struggled to break society's so-called 'norms' and achieve what they were truly born to be. The women of India are no exception to this. Such great women become inspiration to all today's women to achieve success in various fields. To give tribute to such great women and to inspire girl student of our college to achieve the success in life, ICC & Women's Cell in collaboration with Crystal Club, Department of Chemistry organized a program "**A Tribute to Great Women of India**" on the eve of International Women's day. Participants were coming to the stage one by one and explaining the role they were playing.

The Rangoli and Eloquence Competition was organized by the Crystal Club of the Department of Chemistry under the guidance of Dr. Poonam Agrawal, Head of the Department and Dr. Kavita Heda, Asst. Professor. The award winning students were felicitated by the dignitaries. On this occasion, the examiners of Rangoli competition, Prof. Sonali Gawande, Prof. Medha Kurhekar, Prof. Kalyani Ladole and the examiners of oratory competition, Prof. Vaishali Badgujar and Dr. Sudhir Kohchale were honored with certificates.

The quiz program was organized on the occasion of World Science Day to provide information to the students about the questions asked on the subject of general knowledge in the competitive examination. This prize was also distributed at this time.

Mrs. Vandana Palasagar, Professor, Junior College, was felicitated as she is retiring next month. Dr. Poonam Agrawal was also honoured for her patent in the subject Chemistry. In his presidential address, Adv. Motisinghji Mohta said that the work of women is remarkable in all fields. Today, a law has been enacted to empower women. Therefore, women should live a self-respecting life.
