Self Employment training

Date: 20/12/2018

CRYSTAL Club, Department of Chemistry organized workshop on manufacturing of fragrance stick to make village people, especially women self employed and to develop a practical skill among them. Students of CRYSTAL Club gave the demonstration how to make the fragrance stick and which chemicals should used to make various types of fragrance. Apart from this the second part of workshop includes the environmental friendly fragrance preparation by using the temple waste known as Nirmalya. This was the best part of the workshop. Also to bring the environment awareness among village people, students of our college gave them the demonstration about the making of paper bag.

On this occasion, Dr. Archana Sawarkar, member of NSS advisory committee of college explained the benefits of self employment. She said, 'The longer that you spend in self employment, the more confident you become in your ability to survive and thrive on your own, regardless of the situation'. Prof. Sujata Tadam, Coordinator of College Women Cell guided the participants about necessity of self employment. Total 89 female and 43 male candidates participated in this training programme.

Workshop on ‘Student’s safety and Safety measures

Date: 21/12/2018

The National Service Scheme team of Shri R.L.T. College of Science, Akola organized the one-day workshop on 21 December 2018 in the Special NSS Camp at adopted village Aapoti (Khurd). The workshop was in collaboration of Cyber Cell, Akola Police. The speakers for the programme were Shri Gopal Mukunde and Shri Vishal More, Police Constable, Damini Scod Akola. They delivered their lecture on “Students Safety” and “Precautionary Safety Measures” for the students. They awarded the NSS Volunteers and the students of the school from the gram Aapoti about “Cyber Crime and Students”. How to use internet safely? How to upload the posts on social media through Android phones etc. 57 female and 43 malevolunteers as well as number of school students from the gram Aapoti got valuable information regarding their safety.

Medical Examination and counselling

Date: 12/02/2019 to 14/02/2019

For maintaining student's health and for early detection of diseases a regular medical checkup of students was done in college. Medical Examination was conducted from 12/02/2019 to 14/02/2019. Total 244 girls and 117 boys have attended this examination. Dr. Navin Sejpal and Dr. Smita Kayande performed medical check up as well as counselling of students.

Physical Efficiency Test and counselling

Date:18/01/2019 to 23/01/2019

The aim of the Physical Efficiency Test is to enhance physical efficiency and maintain fitness of mind and body. This would help the student to be mentally alert and physically efficient to overcome the stress and fatigue of daily life. The Physical efficiency Test was conducted from 18/01/2019 to 23/01/2019. Total 140 Students including 112 girls and 28 boys from B.Sc.I & II participated in this test. Result of this test is as follows.

| Gender | A Grade Certificates | B Grade Certificates |
|--------|----------------------|----------------------|
| Men | 15 | 12 |
| Women | 21 | 61 |

Proper counselling of physically unfit students was performed by Dr. Rajesh Chandrawanshi, College Director of Physical Education.

Self Defence Academy Training

Date:28/07/2018 to 28/08/2018

Self Defense Academy is an innovative initiation taken by Sports Department. Aim of this activity is to develop self defense skill with physical fitness among the students especially for girls as well as in boys. At the beginning of academic session, daily two hours training was given for one month from 28/07/2018 to 28/08/2018. Total 45 students including 33 females and 12 males were trained to act as resource persons for other students of college. Physically strong young generation is always ready to struggle in any situation for protecting themselves as well as for welfare of the society.

Judo, Wrestling, Karate, Boxing, Taekwondo and Stick practice was taken under in this self defense academy training. This hard training develops muscular power, stamina, endurance, flexibility, agility of strength of player.

Disaster Management Training

Date: Every Sunday

CRITERION III: RESEARCH, INNOVATIONS AND EXTENSION

The aim of practice is to create a pool of trained young volunteers from National Service Scheme to collaborate and joint hands with the civil administration to provide quick rescue and relief services in the event of sudden natural calamities and disasters. The Disaster Management training focused on wholesome training of youths belonging to NSS unit through professional trainers. The training includes various sub modules of providing relief and quick response to help reduce the losses and mitigate sufferings of the victims of sudden or manmade calamities and hazards. The platoon consists of 30 (20 females and 10 males) volunteers. They are trained holistically to build their capacities to accept the challenges of rescue and relief and would complement the disaster responses forces available with civil administration. The training consists of the latest methods of rescue in the events e.g. floods, fire and earthquake etc, providing first aids, resuscitation and revival, evacuation, debris clearances, carbon, communication and mob control, carrying victims to ambulances, life-saving and administration of relief camps etc. This year disaster management club has organized much awareness campaign in SGB Amravati University, Amravati University affiliated colleges, school and in society.

Self Employment training: Manufacturing of Fragrance Stick

Date: 20/12/2018

CRITERION III: RESEARCH, INNOVATIONS AND EXTENSION
