The main objective of the Chemistry MCQs Test is to develop the knowledge of Chemistry which helps the U.G. students for preparation of IIT JAM, NET, GATE, JEST examination. Total 50 multiple choice questions were asked in the examination and students were given 30 minutes to solve it. 287 students were appeared for the examination. Dr. K. M. Heda, Dr. Pravin Kawale. and Dr. V. D. Deotale worked as invigilator. The examination was conducted under the supervision of Dr. P. P. Deohate and Dr. P.T. Agrawal. The committee members and students took pains to make the function grand success.

Seminar
on
“Job Opportunities in Industry”

Organized by the Crystal Club of Department of Chemistry
In Collaboration with
Career Counselling Cell of Shri R.L.T. College of Science, Akola
&
Microns Cell of Department of Microbiology

Crystal Club of Department of Chemistry organized Seminar on “Job opportunities in Industry” on dated 27 Dec. 2021 for the Post graduation department of Chemistry and Microbiology students. Mr. Prasad Pangarkar (Assistant Vice-President Reliance Industry Mumbai) delivered the lecture on this topic. A chemical engineer by profession, Mr. Prasad Pangarkar is an alumnus of RLT Akola. Mr Pangarkar graduated from LIT Nagpur. He completed his post-graduation from UDCT Mumbai and joined the industry. He has nearly two decades of industrial experience which spans in the domains of operations, technology, research, engineering & projects, process automation & business management. He started his career at Reliance Industries Ltd at the Patalganga Manufacturing Division and has handled various projects in different capacities. After an initial stint in operations, he moved to the research & technology function. Among the various assignments handled by him, notable were the studies towards packed bed & CSTR reactor modelling, recovery of value-added chemicals from residue, and effluent degradation studies of polycarboxylic acid. He later worked in the engineering & projects domain and was part of erection & commissioning of then one of the largest capacity purified terephthalic acid (PTA) plant. After completing his course from IIM-Bangalore he briefly worked in the capacity as executive assistant to the Technology & R&D head. Later he was associated with the management projects viz the business transformation at Reliance He has represented at various seminars and conferences and has also contributed for a chapter on reactor design in the book ‘Design of Multiphase Reactors’ by Wiley Publications. He is the recipient of the ‘Outstanding Young Chemical Engineer’ award which was bestowed by the Indian Institute of Chemical Engineers. He has also received the National award i.e. the ‘NOCIL award for excellence in design or development of process, plant & equipment’ during the annual chemical engineering congress – CHEMCON-2011. He has a patent in his name on the same. His interests lie in the field of new product development, scale-up and process automation. He is presently working at the Reliance Technology Centre of Excellence as group lead (Assistant Vice President) for process design, scale up and process automation projects. Dr. V.D. Nanoty sir was the President of this Programme. Dr. Poonam Agrawal, Head Department of the Chemistry was the organizing secretary of the functions. The programme

Criterion V: Student Support and Progression

was graced by the presence of Dr. P.P.Deohate, Associate Professor, Department of Chemistry, Dr. Harish Malpani, HOD department of Microbiology and Dr. Aashish Sarap, Assistant Professor Department of chemistry. The Programme was conducted by Dr. Kavita Heda. The Programme begins with the floral welcome of the guest. Overall the lecture was very fruitful for all the students. In these 65 students and seven research scholars of the department of chemistry and microbiology get benefited by this seminar.

Guest Lecture on Carrier opportunities in Biological Sciences

The Competitive Examination Cell in Collaboration with Department of Botany and Zoology conducted a has conducted a Guest Lecture on Carrier opportunities in Biological Sciences for the students at the college on 14th March 2022. The main objective of these lecture is to developed scientific temperament about the scope in Biological Sciences. In these Dr. S.L.Hate, Sindhu Mahavidyalaya , Nagpur has guided the students about the preparation of NET,SET, GATE, examination. In these about 22 students have been benefited from these lectures. Prof.V.N Badgujar, Dr. S. M. Nagrale, Dr. P. M. Khadse, Dr. A. A. Sangole, Dr. A.S. Sawarkar, Prof. S. V. Madavi were present. Prof. Dr. Deepak Koche Shivaji College was also present. The committee members and students took pains to make the function grand success.
