### Covid Task Force Report

**Title of Practice: RLT's COVID -19 Relief Task Force**

**Objectives of the Practice:**

- To prepare and distribute sanitizer.
- Mask preparation and distribution
- Awareness Campaign to fight against Covid-19
- Cleaning and Sanitation Drive
- To provide P.G Students as Corona warriors to Government hospitals
- To help local community for their wellbeing during lockdown period.

**The Context:**

COVID-2019 pandemic is an unprecedented health challenge during this year. After the outbreak of the novel COVID-19, the World Health Organization (WHO) declared Global Health Emergency as COVID-19 Pandemic. It becomes necessary to follow the advice of WHO and guidance issued by national and local health authorities. Helping society and raising awareness through proper orientation on personal hygiene during this Corona Pandemic is a part of a larger effort to drive social change. Our management, staff members, students especially NSS volunteers and NCC cadets came together to take responsibility. These Corona warriors undertook many activities to prevent the spread of COVID-19.

**The Practice:**

Objectives of the Practice were fulfilled by successful implementation of following activities-

- **Sanitizer preparation and distribution-** Department of Chemistry prepared hand sanitizer and distributed to every departments of college, needy students and non teaching members. During this pandemic, the institution used to welcome and felicitate the guests by giving this sanitizer and follow the practice to aware the people for Covid19.
- **Mask preparation and distribution** - All the sweepers and Swachhata doot were felicitated by giving them mask and sanitizers. Crystal Club of Chemistry Department distributed masks to needy students and non teaching staff members. Alumni association distributed masks and sanitizer in society.
- **Awareness Campaign-** "NO MASK- NO ENTRY" signs were put up at various places and everyone was warned and instructed to wear a mask. Awareness about corona was created among the students through various activities like Online Quiz, Essay Competition and Poster competition. During online teaching and communications our teachers time to time shared their knowledge about the Corona Virus, Safety Measures to prevent from virus, Symptoms of Corona Virus and how the virus is spreading among people. They also explained the ways to improve immunity of body and food style which could prevent from viral infections.
- **Cleaning and Sanitation-** During the Corona pandemic, the entire campus and all the classrooms were cleaned time to time by NSS volunteers, non-teaching staff and swachhata doot in collaboration with the sanitation envoys. The Sanitization Drive was also done at Public Health Centre (PHC) and Gram Panchayat Office at Adopted village Apoti Khurd (Aapatapa).
- **Installation of "Sensor based sanitizer instrument" and "sanitizer pedal stand"** - Sensor based sanitizer instrument was placed near administrative office and a sanitizer pedal stand was placed near the main entrance of the college to keep hygiene and prevent infection in the population.

## CRITERION VI: Governance, Leadership and Management

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Due to lockdown, we switched our teaching methods to online which includes youtube videos, google classroom ,google meet ,ppt, e-notes , assignments . For youtube videos, we made ppt presentations and explained them including numerical for every topic . Every topic was followed by an assignment and online google form test. We used e-pathshala /google classroom to interact with students, know there doubts ,let them know the syllabus and other related stuff .Total visits on e-pathshala/website are recorded. Gradually we realized that just youtube videos are not sufficient so we started taking live online classes which helped us in following aspects</p> <ol style="list-style-type: none"> <li>1. on time doubt clearing of students.</li> <li>2. Better understanding</li> <li>3. Evaluation of students understanding.</li> </ol> <p>During the live online classes, we use to present ppt of that topic, to evaluate whether students are understanding or not ,we conducted their virtual test ,which were time bound and M.C.Q. type and in few days students were provided with their results. It also helped our students to know actually where they stand. Total visits on e-pathshala / Website is recorded. More than 1 lakh (Students) visitors visited which are recorded on counter we have conducted online unit test for internal assessment. We have also conducted online Co-curricular / social activities helping students to develop their knowledge and personality.</p>

Dear Sir/Madam,

Congratulations to all the Participating Institutions (PIs) selected under Unnat Bharat Abhiyan, a flagship program of Ministry of Human Resource Development (MHRD) Government of India through a challenge mode application. The Mission of Unnat Bharat Abhiyan is to enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

As per the programme, educational institutions is primarily to develop linkage with selective rural clusters (preferably of five villages), to get involved in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters. The approach is a departure from the grant oriented method and would see the participation and commitment of faculty and students in this endeavour.

We shall be processing release of Rs. 10000/- per village under the UBA program. The funds are mainly meant for assistance for awareness, Gram Panchayat Development Plan (GDPD) study, need assessment, and contingency expenditure. There are provision of Rs 1.0 lakh for technological intervention/ solution and Rs 0.50/- lakh for customization of a technological solution under the program. Which you can avail of afterwards by submitting proposals with ratification of the Gramsabha. A two-way channel between PIs and National Coordinating Institute (NCI) as well as Subject Expert Groups (SEGs) for project proposal submission and evaluation has been developed and functional on UBA portal. You can use your login credential for uploading proposals on UBA website 'FINANCIAL AIDS'. The login credentials are same as your registration login credentials.

You are also requested to keep IIT Delhi, the National Coordinating Institute updated about your activities so that the same can be uploaded on the website of UBA.

Regards and best wishes for your institution for contributing to India's development.

With regards

Your Sincerely,

Dear Sir/ Madam,

*Greetings from* Unnat Bharat Abhiyan!

**Congratulations** to the Participating Institution selected under Unnat Bharat Abhiyan, a flagship program of the Ministry of Education (MoE) Government of India through a challenge mode application. We are glad that you have selected the cluster of villages under Unnat Bharat Abhiyan (UBA) in consultation with the District Collectors.

The next step is to complete the survey of all the villages adopted by you under the program. Please find attached a copy of a template for Baseline Household survey form as well as the Village survey form to be filled in during the field survey. An attempt should be made to cover all Households in the village. One Village survey forms are to be filled for each village. Kindly get it completed in all village survey as soon as possible. Then the data should be uploaded online on the reporting portal of the UBA website from your side. The Reporting Portal' login credentials are the same as your registration credential, soon the portal will be activated for uploading the data. After login your login credential and uploaded the baseline survey data on UBA Website for further analysis. After final submission of baseline survey data an analysis report of the data, fed by you will be generated on the UBA Website at your Institute page under Reporting Portal on the home page. You may use the same for the preparation of the plan of action/ Village development plan/ Technologies intervention for each village.

You are requested to complete PRA exercise of adopted villages for identification of major problems and preparation of a plan of action/ technical interventions. You are advised to kindly contact the village development officer and representatives of villages and organize Gram Sabha meeting as soon as possible and identify three major issues to be taken up for village development. You can set short term, medium-term and long-term goals for village development. You should start addressing two or three challenging issues immediately without waiting for household surveys to be completed. These issues should be identified through Gram Sabhas and should ensure public participation in planning and implementation. A template for seeking information regarding plan of action for the key problem identified in villages has been developed. A template for seeking information regarding plan of action for the key problem identified in villages will be available soon on the reporting portal

to upload your plan of action. Please find attached copy of PRA report for Nuarngabad village (IIT Delhi adopted village) along with PPT of “Development and Demonstration of Participatory GIS for use by Rural Stakeholders in Watershed Development. We have already uploaded some of village development plan on the UBA website, please visit the UBA website for more information.

**A tentative timeline for its implementation could be as follows.**

<b>Item of work</b>	<b>Time from the date of launch</b>
Selection of the Cluster	One month
Awareness generation	Two months
Social mobilization	Three months
Baseline Survey	Three months
Situation analysis	Five months
Village development plan	Seven months
Approvals and sanctions	Eight months
Implementation in the field	Nine months

# CRITERION VI: Governance, Leadership and Management

National Level E- Workshop on  
**Organic Farming for Sustainable Agriculture**  
Date : 24<sup>th</sup> March 2021

Sponsored by  
**Indian Science Congress Association (ISCA)**  
Amravati Chapter

Organized by  
The Berar General Education Society's  
**Shri R.L.T. College of Science, Akola**  
Civil Lines Akola, Maharashtra -444001  
(Reaccredited by NAAC with 'A' Grade CGPA-3.12 (3<sup>rd</sup> cycle))  
Affiliated to  
**Sant Gadge Baba Amravati University, Amravati**

**About E- Workshop**

The green revolution greatly reduced world food shortages but at high environmental cost. Agriculture affects both the ecosystem and human health through added nutrients and pesticides. Continuous addition of chemical fertilizers and pesticides, although greatly increasing the global food production, have degraded agricultural lands, lowered the quality and taste of agricultural product and have increased environment induced risks. Sustainable agriculture is nothing but management practices of crop and animal production that secure long-term ecological productivity without degradation of their natural resource base and impoverishment of human health. Aim of this workshop is to increase consciousness about sustainable agriculture for safe and high-quality food. This will lead to a growing interest in alternative farm practices, including organic agriculture.

**About Institute**

Shri R. L. T. College of Science, Akola affiliated to Sant Gadge Baba Amravati University, Amravati was established under The Berar General Education Society, Akola on 1<sup>st</sup> April 1970. The college is reaccredited by NAAC with 'A' Grade, CGPA -3.12 (3<sup>rd</sup> cycle). The college offers B. Sc. M. Sc., Ph. D. and career oriented programmes like CCLT, DCLT and ADCLT. At present there are 14 Departments in college i.e. Biochemistry, Microbiology, Physics, Zoology, Botany, Chemistry, Computer Science, Physical Education, Languages, Mathematics and Library. Our college is one of the premier institution delivering excellent education through dedicated collaborated efforts towards achieving recognition and honour at national and international level. We can proudly declare that it has indeed grown from a seedling into a tree that has not only sheltered thousands of youngsters but also has moulded them into great personalities, now scattered across the globe. We strive for providing advanced academic environment, innovative techniques and creating value based globally competitive professionals through well directed honest efforts. In order to discharge our noble responsibilities towards the work of science at large, we keep organizing state and national level workshops, seminars and conferences.

**About ISCA, Amravati**

The Indian Science Congress Association (ISCA), the premiere organization of scientist of the country, has been working towards the advancement and promotion of the cause of science in India. The Amravati Chapter was launched in the year 2008-09. The chapter also undertakes a series of programmes of various occasions to inculcate scientific temper and generate scientific awareness in students as well as people in general.

**The NEP 2020 : A Concept**

The Need for new education policy was felt in the country for a long time. Three national education policies have been introduced in India till now. The emphasis of previous policies on education was mainly on issues of access to education. The new education policy has been brought in keeping with view the current and future needs, which can help to large scale transformative reforms in both the school and higher education sectors. To achieve full human potential, education is fundamental requirement for the development of a just and equitable society and to promote national development. The whole world is undergoing rapid changes in knowledge landscape. In this context, the new educational policy will reshape the world-National educational policy framed in 1986.

The new national policy 2020 proposes some changes, including the opening of Indian higher education in foreign universities, the introduction of four year multi-disciplinary under-graduate program with several exit point. The objective of New Education Policy is to make India a global knowledge superpower. The policy also proposes that all universities and colleges aim to be multi-disciplinary in future.

This policy also boost employment in the country and fundamental changes in our educational system.
