Proceedings of the Meeting Held by IQAC

Session 2017-18

Minutes of IQAC Meetings

Meeting no 1

The action plan for the session 2017-18 discussed. The HOD of all departments were present. Respected Principal sir informed the to prepare their departmental action plan for the same session and implement it towards the quality enhancement.

1. The student council was formed as per guidelines of Sant Gadge Baba Amravati University, Amravati
2. Many departments organized research activities and innovative activities at their departmental level.
3. Some department conducted guest lecture by eminent personalities.

Meeting No.2

IQAC coordinator presented the AQAR -2016-17 before the members of committee, some suggestions were made by members of IQAC and then finalized for submission.

The programs conducted in the month of August 11th, 2017 Dr. Tamne delivered his lecture on "Importance of Blood Donation in Youth".

Adaptation of one Patient of Thalassemia by Dr V. D. Nanoty and Dr. U. K. Bhalekar by donating Rs. 12000/- each.

In the month of July 1st 2017 Tree Plantation program was conducted in and around Akola city. Dr. Ajay Deshmukh, Registrar, Sant Gadge Baba Amravati University was honored as a Chief Guest.

1. The construction of new departments like Physical Education, Career Counselling Cell, Exam Deptt. Has started in the month of August 2017.
2. The chairman of Admission committee informed the house that the admission for BSc Part I and MSc Part I getting good response and we are seeking for permission to additional seat allotment by SGB Amravati University.

Meeting No.3

1. Department of Chemistry conducted a guest lecture on Spectroscopy by Dr. V. S. Jamode, Professor & Head, PGTD Chemistry

2. Department of Physics organized Guest Lecture on Thermodynamics. The resource person was Dr. Wankhade
3. Dr. Bharat Rathi gave information on Rubella Vaccine on 13/10/2017
4. Dr. Dhabe, Head , Department of Zoology Shankarlal Khandelwal Science College delivered her lecture on Aquaculture on 7/10/2017. Department of Zoology organized the Guest Lecture

1. Dr. U. K. Bhalekar Head Department of Microbiology appointed by Sant Gadge Baba Amravati University on Board of Studies.
2. Dr. Pradip Deohate, Assistant Professor successfully completed short term course by S G B A university.
Dr. A. M. Deshmukh, President, Microbiology Society of India delivered guest lecture on Genetically Modified Food on 11th September 2017.

Meeting 4

- 1 The parent Society The BGE Society and Shri R L T College of Science, Akola jointly organized on “Obesity”. The lecture delivered by well known person Dr. Nanasaheb Chaudhari, Akola
- 2 On the occasion of Mahaparinirvan Din, a guest lecture was organized by college. Dr. Avinash Dolas was the resource person.

Blood donation camp was organized on 22/12/2017, where the blood group dictation camp was held

1. Sant Gadge Baba Amravati University declared the merit list for session 2016-17 in which the college students perform brilliantly and stand in merit list. A) Ku. Sakshi Survade – 1st merit in MSc Microbiology B) Ku. Sneha Wnkhade – 2nd Merit in MSc Microbiology. C)Ku. Ferheen Maniyar – 3rd Merit in MSc Chemistry. D) Ku. Vrushali Wankhade -8th merit in MSc Chemistry E) Ku. Rumaisa Haris -6th merit in MSc Maths F) Ku. Renuka Agrawal -10th merit in MSc Maths.
2. Newly constructed buildings were inaugurated by the hands of Dr. Rajiv Borle, Vice Chancellor, Datta Meghe Institute of Medical Science, Wardha (M.S) on 6th January 2018. Shri. S.R. Mhatre from Microbiology and Shri Khobragade from Mathematics were awarded Ph. D in respective subjects by Sant Gadge Baba Amravati University, Amravati.

Session 2018-19

Meeting 1

Chairman of IQAC and coordinator give complete detailed about the Revised Assessment and Accreditation framework (RAF) implemented by NAAC to introduce more transparency in assessment process. The college IQAC start to implement all the suggestion made by NAAC from July,2017

1. Department of Chemistry & Microbiology organized two seminars one is at National Level and second is on State level.
2. Department of Microbiology laboratory is under the renovation and construction of library is in progress.

Meeting 2

The newly constructed three digital class rooms were inaugurated by the hands of Guardian Minister of Akola, Hon'ble Dr. Ranjeet Patil sir. The National level seminar cum workshop on Art of Perfume Making was conducted by Department of Chemistry. Preparation of Shri Ganesh Idols from soil was conducted by Department of Microbiology.

1. For the security purpose the 48 CCTV was installed, now the college area is under the supervellance for 24X7.
2. Dr. R. D. Chandrawanshi, Director Sports Department told that the Sant Gadge Baba Amravati University Inter Collegiate Badminton Competition was held on 18th September 2018.

Meeting 3

The participation in Youth Festival organized by S G B Amravati University held at Shri Shivaji College Akola. Maharojgar Melava was organized in the RLT college campus by Guardian Minister Dr. Ranjeet Patil Sir. District level workshop was organized in collaboration with Joint Director (H.E) Amravati Region NAAC and guidance on scholarship 'Rajshri Chatrapati Shikshan Shulka Pratipurti' (E.B.C.) on 24.10.2018.

1. Due to the continuous demand by students, it was decided to resubmit the PG proposals in the subject Physics, Biochemistry, Zoology, Computer Science and Botany and also diploma courses in Astronomy and Sericulture to sant Gadge Baba Amravati University, Amravati.
2. As per the new guidelines by NAAC Shri Sandip Toshniwal appointed as a student representative in IQAC of college .

Meeting 4

Avishkar (Research Festival) District Level Round, Akola conducted on 17.12.2018. Total 15 students participated. Avishkar (Research Festival) University Level Round at S.G.B.A.U. conducted on 26.12.2018 and 27.12.2018. Total 11 students selected from first round. Participated in second round out of these participants Ku. Kanchan Mangtani and Ku. Vasundara Dutonde were selected for inter university competition. The represent in S.G.B.A.U. University team. State level event of Avishkar was held at Gondwana University, Gadchiroli in the month of January, 2019.

On the account of Science Day state level seminar cum poster competition “My Health, My Responsibility” Dr. Jagdish Zade , ALUNMI was chief guest for the competition.

1. District Youth Parliament was conducted in the college
Meeting held to take the review on over all progression of departments. All HOD participated in the meeting

Session 2019-20

Meeting 1

On discussion of the above subject the action plan for the session 2019-20 is to be prepared by IQAC as per the academic calendar released by the S G B Amravati University and according the rules and norms the IQAC prepared the Action Plan keeping in mind that this year the institute celebrates its Golden Jubilee Year.

1. The college conducted tree plantation programe successfully in the month of July and August. Department of NSS and NCC volunteers planted the tree on the bank of road near Sonala village.
2. The permission granted by University for the PhD center in Physical Education.
3. College organized National conference and work shop in the academic session 2019-20.
4. On the occasion of Golden Jubilee year the College organizing committee and IQAC felicitate the retired persons for their useful contribution in their fields.

Meeting 2

On the Occasion of Golden Jubilee Year it was decided to conduct 50 programs Vriksharakshabandhan celebrated by NSS Department on the occasion of rakshabandahan and students take the oth to save the plants and save the nature. Preparation of Ganesh Idol from soil to protect the nature from POP. Mobile photography by department of Zoology and organization of Avishkar-Research festival etc

1. Shri R.D. Chaudhary announced that the Hon'ble Principal Dr. V.D. Nanoty got the Krutishil Shikshak Purnasakar by SGBAU, Amravati.

2. Dr. R.P. Joshi told that he got the university prize for 'Best College in Akola district under Swachhata Campaign'

3. Dr. H.S. Malpani said that the department of Microbiology is the Best National microbiology department by Microbiologist Society of India.

Meeting 3

In view of Golden Jubilee the many departments organized the various programs like poster competition, Maths Olympiad etc. action taken by departmental

1. Shri. A.B. Khedkar qualified U.G. C NET Exam in Dec. 2019. Ms. Sandhya Mhaske CHB teacher in mathematics and P.G. student MR. Pradip R. Surushe qualified SET Exam held on 11th Oct 2019.

2. Ku. Dipali Bhojane: M.Sc – Mathematics stood 5th merit in P.G. Category in Summer 2019 Exam. Ku. Kanchan Mangtani: M.Sc – Microbiology stood 1st merit in P.G. Category in Summer-2019 Exam. Ku. Namrata Lohiya: B. Sc student stood 5th merit in U.G Category in Summer-2019

3. Ms. Mrunali G. Wawge. B.sc II Kabaddi. Ms. Kalyani Sangunwedhe B.sc II Handball
Ms. Bahgyshree Chondhari B.sc II Wrestling/

Meeting 4

Department of Zoology published Biodiversity Calendar 2020 on 2nd January 2020 at the hands of eminent personalities Mr. S.R. Bharti (Assistant Commissioner of Fisheries Akola)

Three day skill development program on fresh water Aqua Culture

National Conference on Multidisciplinary Research in science and Technology for Healthy Life Style Management (NCMRST 2020) 24th January 2020.

1. on 10/10/2019 the one day workshop was organized with Joint Director (H,E) Amravati on Non-Accredited colleges

International Guest lecture on 13/02/2020 in collaboration with IQAC and Microbiology Society of India.

Session 2020-21

Meeting 1

1. The chairman of IQAC and coordinator informed in the meeting that due to Covid-19 pandemic condition the Govt. of Maharashtra and SGB Amravati University declared complete lockdown from March-2020. To resolve the problem of teaching and other activities which are impotent from the point of students, the Respected Principal and Staff Members started online classes through e-Pathshala and Google class room to UG & PG students. College has maintained the reports of e-classes during lock down period. College has also organized and conducted successfully online activities like webinars, Video lectures, online FDP on Research Methodology etc. Noticeable that the online teaching & workshops was useful not only for college students but also benefited to the students of other colleges of all over India.

2. The Academic calendar for the session 2020-2021 was implemented as per the guidelines issued by the UGC, Govt. of Maharashtra and Sant Gadge Baba Amravati University in view of Covid-19 pandemic.

3. The AQAR for the academic year 2019-20, was placed before the IQAC and CDC committed for final approval, it was decided to submit the AQAR to NAAC by keeping the view of Covid-19 pandemic instruction issued by NAAC and submit accordingly.

4. To organized online programme as per the suggestion by staff members.

In keeping view of suggestion received from staff members the IQAC in collaboration with the other departments conducted various programs through online mode.

- Online soft skill Development course.

- E-certificate course in Astronomy and Astrophysics from 7.5.2020 to 11.5.2020 to 14.5.2020

- Publication of online issue of science magazine 'info science volume-02, No-01 (2020) on 6.4.2020

- Certificate course in Spectroscopic Techniques in Chemistry (STC-2020) online from 4.5.2020 to 11.5.2020 etc.

Meeting 2

1. Due to the Covid-19 situation it is very important to take some preventive measures to avoid the spreading of Covid-19. However it is essential to continue with the teaching-learning process through various modes. The aim of IQAC is to develop a system for consistent and catalytic action to improve the academic and administrative performance of the institution. College has adopted a method of e-pathshala which is very helpful to student as a part of teaching -learning and evaluation.

2. Organized Online Induction Programme:- Online Induction Programme was conducted from 1st October to 5th October 2020 to introduce the newly admitted student of BSc and MSc. The Principal, Heads of all departments and all faculty members took actively part and introduced the students with the facilities that the college have.

3. This year the admission process for UG programme and PG programme delayed due to Covid-19, the process of admission were carried out as per the guidelines and SOP published by university and it was started on 4/8/2020.

As per the time table declared by the university the online examination were Conducted from 28/10/2020 to 01/11/2020.

3 Regarding approval for renovation of chemistry lab , the subject was placed in CDD/ Management Executive Committee meeting and Building Committee of Management and got approval in its meeting. College is starting the renovation work in the month of December,

4. Felicitation of Dr. U.K. Bhalekar and celebration of Dr. M.G. Joshi Memorial Day. On the 30th November,2020 Dr. U. K. Bhalekar, Head, Department of Microbiology is going to retired , for his contribution in teaching from last 25 years the IQAC and HOD of all other departments felicitate Dr. Bhalekar sir for his remarkable contribution in subject and devotion in department progress and also celebrated Dr. M.G. Joshi Memorial Day in the college on 24th of December2020.

Meeting 3

1.All the chairman and the members of all seven criterion were discussed on this point with principal sir IQAC coordinator and Respected Principal said that the revised Assessment and Accreditation (A and A) framework is launched in July, 2017. It is mainly ICT enabled, objective, transparent scalable and robust . The seven criteria represent the core functions and activities of a HEI. Under each criteria a few key indicators are identified. The chairman of criterion 1 to 7 projected their progress through power point presentation. After presentation the Chairman and IQAC coordinator make some correction in each criteria.

2. To finalized the MoU's with reputed academic and other organization, For the academic session 2020-21 the MoU's made finalized with the organization like Shrushti Vaibhav and etc.

3. Discussion on feedback received by stake holders
The Chairman and IQAC coordinator read the report of feedback of all stake holders and start to implement on it,

Meeting 4

1. Principal informed members that college has submitted AQAR 2019-20 to NAAC. The information collection by all seven criterion chairman started and shared with the other members of CDC and IQAC. IQAC coordinator communicated with the NAAC, Bangalore and confirmed the dates of academic calendar for AQAR submission. All members participated in discussion.
2. The Chairman and Coordinator give detailed information regarding the action taken that the conduction of various quality programs by ICC and Women Cell, Online Guest lecture by Department of Physics, certificate course on physical fitness by department of physical education and sports etc.
3. The NSS program officer Dr. R.P. Joshi (Sawalkar) announced that all over the college bags 9 awards includes State level awards, District level and University level awards are include.
4. The IQAC coordinator give detail information on the feedback analysis and circulated to principal sir to discuss and for necessary action in CDC meeting

Session 2021-22

Meeting no.1

1. The Chairman of IQAC and IQAC coordinator gave detail information about the activities conducted by IQAC during the month of July to September 2021 in the meeting. The workshop on Waste Management was organized on dated 11/8/2021. National online workshop on IPR and Patent Filing was organized by IQAC in collaboration with other deptt. D M C and IQAC organized workshop on Hazardous Management and Fire Extinguisher on 16/9/2021. On 4/10/2021 the IQAC and P.G Department of Chemistry conducted workshop on “Drug Designing and Drug Discovery.
2. Respected Principal sir gave information in detailed regarding the admission process for the session 2021-22 and also informed the members about newly started P.G courses in M.Sc Physics, Biochemistry, Zoology, Computer Science and Botany.

Meeting 2.

1. Respected Principal /Chairman of IQAC and IQAC Coordinator informed in the meeting about the activities conducted by IQAC in collaboration with the other departments. One day National Seminar on “New Education Policy” was organized on dated 3/12/2021. Add on Course in collaboration with Arts, Commerce and Science College, Chikhaldara on dated 6th to 11th December 2021.
2. Every year on 24th December, the college celebrates the Birth Anniversary of Late Principal Dr. M.G. Joshi sir, in view of this the Blood Donation and Blood Group detection Camp was conducted in the college campus by the P.G Department of Microbiology and Biochemistry on 24/12/2021. The head of all teaching departments presented their

Academic Action Plan in the meeting before the IQAC Chairman. The action plan was discussed and accepted by the Chairman and informed to circulate to every department for its proper implementation.

Meeting 3

1. IQAC chairman /Principal informed the house that Dr. Poonam Agrawal HOD P.G. Department of Chemistry filled her patent and it is almost granted by the patent authority. He also expresses his thanks to the Management for giving grant of Rs. 30,000/- for the promotion to the research.
2. Dr. S.M. Nagrale, Chairman of Criterion III suggested for some financial assistant to the Ph.D scholars. In view of this the IQAC Chairman said that the secretary of ALUMNI association decided to give the financial assistant to the Ph.D scholars from the session 2020-21.

Meeting 4

1. The Head of all teaching departments informed in the meeting that the University Practical Examination for Summer-2022 were conducted smoothly as per the guidelines of Sant Gadge Baba Amravati University and the obtained marks were filled on University Online Portal. The In-charge teacher, appointed to conduct the university theory examination said that all necessary information regarding the examination were displayed on the student what's app groups and circulated to the students. The principal informed that the Infrastructural constriction of P.G. laboratories are in progress. The Annual Progress report for the session 2020-21 was discussed by the Principal with all faculty members and informed to take necessary action to overcome the problems.

Feedback Analysis and Action taking Reports

To ensure quality and standard in Education IQAC of College takes feedback of all stakeholders and all feedback are analyzed and respective actions are taken over all aspects of quality matters. Feedback on curriculum, co-curricular activities, extracurricular activities, research and extension, infrastructure and as per demand of stakeholders is taken. Different committees viz. CDC, Alumni Association, Parent Teacher Association, Guardian teacher association and all Head of the Departments collect the information and discuss in the staff council meeting also the Student satisfaction survey is conducted, these suggestions are considered while preparing perspective plan and respective actions are taken.

Some Feedback received and Action taken

Feedback from stakeholders	Action Taken
<ol style="list-style-type: none"> 1. Renovation of Library. 2. To bring awareness among the society through Disaster Management Club. 3. Maintenance and strengthening of infrastructure. 4. Organization of National, State and University level programmes. 5. Introduction of new courses for UG level and soft skill development courses. 6. Organization of International, National, state level programmes. 7. Organization of Faculty improvement/development programme. 8. Formation of Covid Task force. 9. Submission of proposals to SGBAU, Amravati for introduction of new P.G. Courses. 10. For registration under NIRF, Unnat Bharat Abhiyan, Atal Ranking of Institutions on Innovation achievements (ARIVA). 	<ol style="list-style-type: none"> 1. Administrative and academic programmes were taken in accordance with the calendar and regulations framed by the S.G.B. Amravati University. 2. College library is renovated and examination committee and admission committee is shifted from office to this new place. 3. Disaster Management club organized many activities to create awareness among students, faculties and society. 4. Three Digital class rooms were constructed with all facilities and newly developed Microbiology laboratory and installation of 48 Cameras in Classrooms, Library and College Campus area as a safety measures. 5. Organized Maharojgar Melava on 04-Oct-2018 (300 participants) 6. Organized many International, National, state level and University level programmes were organized. 7. Three Digital class rooms were newly constructed with all facilities and Microbiology laboratory renovated. 8. "RLT'S Covid Relief Task Force" RLTCRTF 20-21 was formed. 9. Two courses sericulture and Astronomy started in college and proposal for PG courses submitted. 10. New Courses at PG level in Biochemistry, Botany, Computer Science, Physics and Zoology Introduced.

Feedback analysis and Action Taken Report of Various Stakeholders

2021-22

The feedback has been obtained from students, parents, alumni and teachers for the academic year 2021-22.

The Students feedback	–	75
The Parents feedback	–	15
The Alumni feedback	–	15
The Employer feedback	–	05

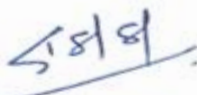

The suggestion given by the students, parents and Alumni in the feedback are analyzed by IQAC and sent it to respective authorities for further course of action.

Suggestions by the Students, Alumni, Parents in the feedback -

1. Career oriented course should be introduced suggested by the Alumni (Alumni)
2. New courses should be open which develops entrepreneur skill
3. Practical chemistry syllabus of Sem II found difficult

Action taken -

1. The college governing body always gives positive thought to the suggestion given by the Student in the feedback and M.Sc. Chemistry laboratory has been renovated as per the suggestion of the PG students in this academic session.
2. The Post graduate course like M.Sc. in Physics, Botany, Biochemistry has been started in the College in this academic session.
3. A letter to BOS about omission of difficult portion of chemistry practical syllabus such as inorganic qualitative analysis as per suggested by students.

Feedback analysis and Action Taken Report of Various Stakeholders

2020-21

The feedback has been obtained from students, parents, alumni and teachers for the academic year 2020-21.

The Students feedback	–	75
The Parents feedback	–	15
The Alumni feedback	–	15
The Employer feedback	–	05

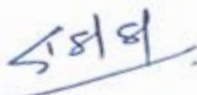

The suggestion given by the students, parents and Alumni in the feedback are analyzed by IQAC and sent it to respective authorities for further course of action.

Suggestions by the Students, Alumni, Parents in the feedback -

1. M.Sc. Chemistry laboratory must be renovated suggested by most PG students
2. M.Sc. physics course must be introduced suggested by most UG students (Parents)
3. Career oriented course should be introduced suggested by the Alumni (Alumni)
4. New courses should be open which develops entrepreneur skill
5. Industrial visit/ Educational Study tour to be organized
6. Inorganic qualitative analysis of Chemistry Practical Syllabus found difficult

Action taken -

1. Sky Observation Club has open in the college for students of physics and mathematics to Create interest about space science.
2. Sericulture course has introduced under the wings of botany department for UG students to Develop the entrepreneur skill.
3. Industrial visit/ Educational Study tour were arranged for UG student s as a part curriculum by Chemistry, Microbiology, Zoology, Botany and Mathematics etc.

Feedback analysis and Action Taken Report of Various Stakeholders

2019-20

The feedback has been obtained from students, parents, alumni and teachers for the academic year 2019-20.

The Students feedback	–	75
The Parents feedback	–	15
The Alumni feedback	–	12
The Employer feedback	–	05

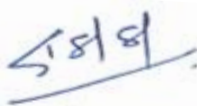

The suggestion given by the students, parents and Alumni in the feedback are analyzed by IQAC and sent it to respective authorities for further course of action.

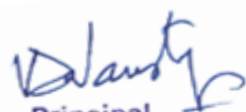

Suggestions by the Students, Alumni, Parents in the feedback -

1. Arranged career-oriented program
2. New courses should be open which develops entrepreneur skill
3. Industrial visit/ Educational Study tour to be organized
4. M.Sc. physics course must be introduced suggested by most UG students (Parents)
5. Career oriented course should be introduced suggested by the Alumni (Alumni)

Action taken -

1. The College has introduced research center in sports and physical education in this academic session and remarkably good response is given by the researcher from different states of India. Three students have been enrolled for admission to Ph. D degree.
2. The College has also introduced research Centre in chemistry in this academic session and 4-5 to students enroll for the registration of their Ph. D degree.

Feedback analysis and Action Taken Report of Various Stakeholders 2018-19

The feedback collected from different stakeholders for the sessions 2018-19 are as follows.

The students feedback	–	75
The Parents feedback	–	25
The Alumni feedback	–	15
The Employer feedback	–	15

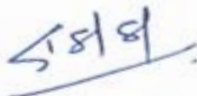

The suggestion given by the students, parents and Alumni in the feedback are analyzed by IQAC and sent it to respective authorities for further course of action.

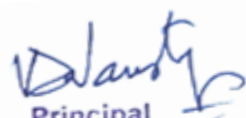

Suggestions by the Students, Alumni, Parents in the feedback -

3. Introduced some New PG courses in the Life sciences.
4. There should be research facility in the physics department (Alumni/ Parents)
5. Design the courses which enhance the employability

Action taken -

1. The college has been build up three Digital Classrooms for UG and PG students, it also used for students seminar, group discussion and guest lecture and meeting of the students.
2. Soft Skill Program was organized by the college to provide guidance to enhance the skill of the students and to get information about job oriented courses.

Feedback analysis and Action Taken Report of Various Stakeholders

2016-17

The feedback collected from different stakeholders for the sessions 2016-17 are as follows.

The Students feedback on curriculum – 50

The Parents feedback on curriculum – 16

The Alumni feedback on curriculum – 06

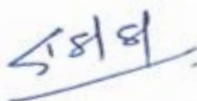

The suggestion given by the students, parents and Alumni in the feedback are analyzed by IQAC and sent it to respective authorities for further course of action.

Suggestions by the Students, Alumni, Parents in the feedback -

1. Design the application based syllabus for enhancing employability
2. Introduced some industry oriented subjects
3. There should be digital classroom in college
4. Design the courses which enhance the employability (Alumni/ Parents)
5. There should be Skill based course for UG students
6. Industrial visits/ Educational Tour must be organized
7. Guest lecture should be arranged
8. Allotment of more no. of books to the PG students at a time form the library

Action taken -

1. Smart room for UG and PG students have been constructed which is used for student's seminar; guest lecture has conducted during the academic session.
2. More number of guests lectured were arranged in various subjects during the session.
3. Industrial visit/ Educational Study tour were arranged for UG student s as a part curriculum by Chemistry, Microbiology, Zoology and Mathematics etc.

While collecting the feedback special emphasis is given on Curriculum. Following data indicate Feedback analysis and action taking report on Curriculum.

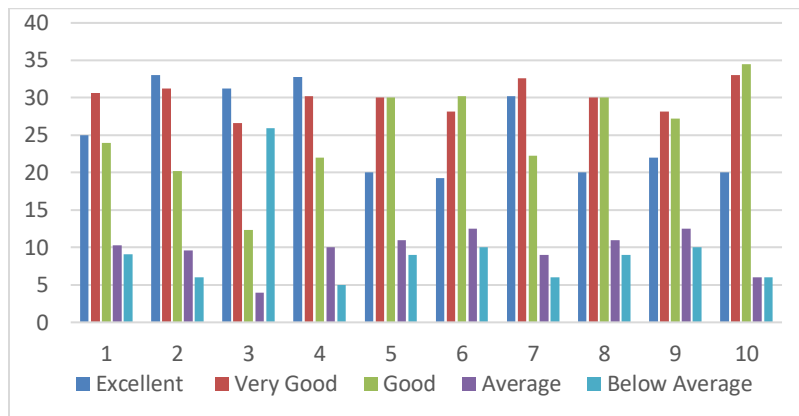

Students Feedback on curriculum 2017-18

Analysis Report

Shri. R. L. T. college of science, Akola conducts online feedback by the student every semester, after the end of semester examination. The student's gives feedback for all the theory and practical courses taught to them in the semester. The structured feedback on curriculum obtained from them are analyzed and utilized for overall development of the college.

Feedback Framework

Sr. No.	Question	Response in %				
		Excellent (5)	Very Good (4)	Good (3)	Average (2)	Below Average (1)
1	How do you rate the syllabus of the courses that you have studied in relation to its difficulty level	25	30.6	24	10.3	9.1
2	How do you rate the allocation of the units in the syllabus relevant to the courses	33	31.2	20.2	9.6	6

Suggestion in the curriculum feedback

Introduced some industry oriented subjects

Parents Feedback on curriculum 2017-18

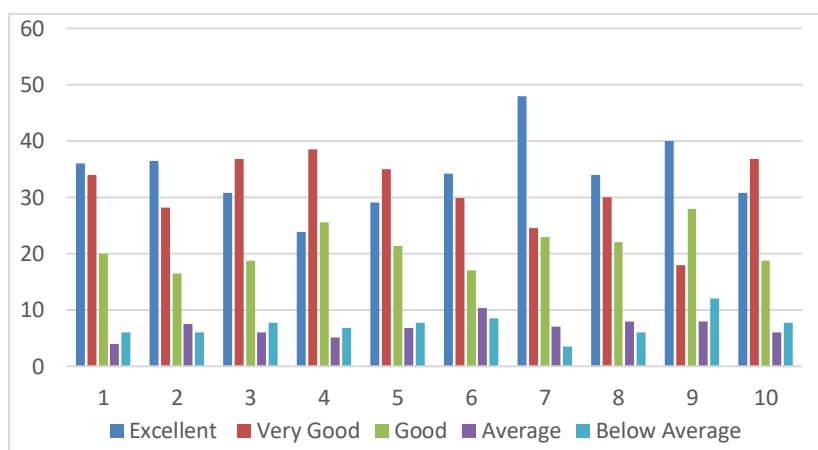

Analysis Report

The parents gives feedback for all the theory and practical courses taught to them in the semester. Shri .R. L. T. college of science, Akola conducts online feedback by the parents every year, after the end of examination. The structured feedback on curriculum obtained from them are analyzed and utilized for overall development of the college.

Feedback Framework

Sr. No.	Question	Response in %				
		Excellent (5)	Very Good (4)	Good (3)	Average (2)	Below Average (1)
1	The educational principle “Easy to Difficult” is followed in the curriculum	36	34	20	4	6
2	Interdisciplinary approach/ Inter subject approach is	36.5	28.2	16.5	7.5	6
3	Innovative ideas /research attitude is developed in the students by following this curriculum	30.8	36.8	18.8	6	7.7
4	The curriculum will enable the students to acquire entrepreneurial skills	23.9	38.5	25.6	5.1	6.8
5	Teaching of syllabi is effectively completed within specified period	29.1	35	21.4	6.8	7.7
6	System of monitoring students progress	34.2	29.9	17.1	10.3	8.5

7	Availability of quality teaching in the college	48	24.5	23	7	3.5
8	Availability of qualified, competent faculty in the college	34	30	22	8	6
9	Contribution to the national development in respect of science and technology	40	18	28	8	12
10	The comfortness of ward with present curriculum	30.8	36.8	18.8	6	7.7

Suggestion made by the parents on the curriculum feedback

Design the courses which enhance the employability.

Alumni Feedback on curriculum 2017-18

Analysis Report

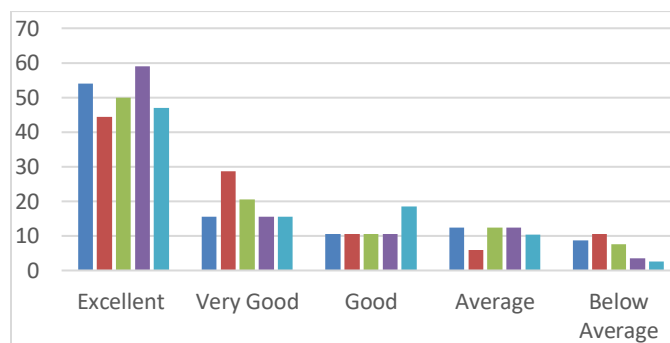

The Alumni gives feedback on curriculum for all the theory and practical courses taught to them in the semester. The college conducts online feedback by the Alumni at the end of academic year. The structured feedback on curriculum obtained from them are analyzed and utilized for overall development of the college.

Alumni have to express their objective feedback on course/ curriculum based on five point scale(5) = Excellent, (4) = Very good, (3) = good, (2) = Average, (1) = Below Average. Only the figure 5, 4, 3, 2, 1 have to be written in the box which indicates the points.

Feedback Framework

Sr. No.	Question	Response in %				
		Excellent (5)	Very Good (4)	Good (3)	Average (2)	Below Average (1)
1	The course I had learned in the college is useful in my career.	54	15.5	10.5	12.4	8.6

2	The college takes initiative to introduce new courses to meet contemporary requirements.	44.4	28.6	10.5	6	10.5
3	The development in the curriculum of UG and PG is appreciable.	50	20.5	10.5	12.4	7.6
4	The present curriculum meets the demands of the students in terms of employability.	59	15.5	10.5	12.4	3.6
5	Teaching of syllabi is effectively completed within specified period	47	15.5	18.5	10.3	2.5

Suggestion in the curriculum feedback

There should be digital classroom in college

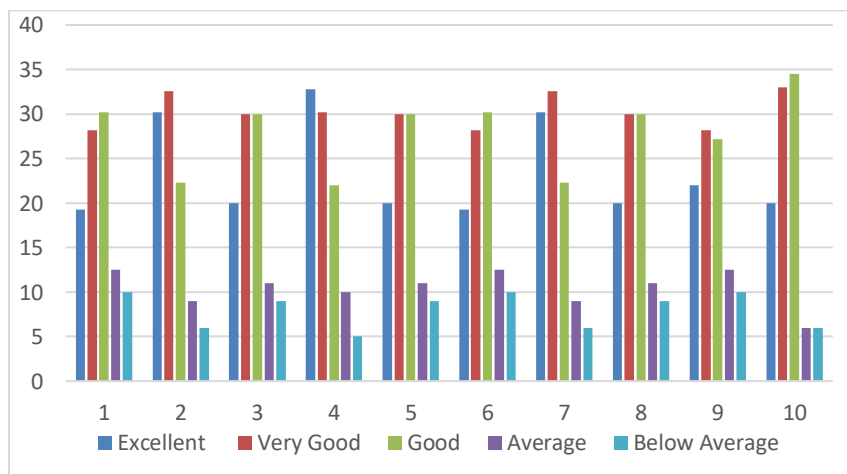

Students Feedback on curriculum 2018-19 Analysis Report

Shri .R. L. T. college of science, Akola conducts online feedback by the student every semester, after the end of semester examination. The student's gives feedback for all the theory and practical courses taught to them in the semester. The structured feedback on curriculum obtained from them are analyzed and utilized for overall development of the college.

Feedback Framework

Sr. No.	Question	Response in %				
		Excellent (5)	Very Good (4)	Good (3)	Average (2)	Below Average (1)
1	How do you rate the syllabus of the courses that you have studied in relation to its difficulty level	19.3	28.2	30.2	12.5	10

9	How do you rate the effectiveness of the textbooks and reference books in the context of the course	33.6	31.2	19.6	9.6	6
10	How do you rate the competency expected out of the source	25.6	29.9	32.6	7.6	4.3

Merits – textbooks and reference books are found effective

Suggestion in the curriculum feedback

Inclusion of some courses which helps the students about competitive examination is needed.

There should be silence zone in the library.

Update the syllabus in computer science (ios, android etc)

Design the application based syllabus for enhancing employability.

Introduced some industry oriented subjects.

Evaluation process of the college is found to be fruitful to have effective curriculum delivery.

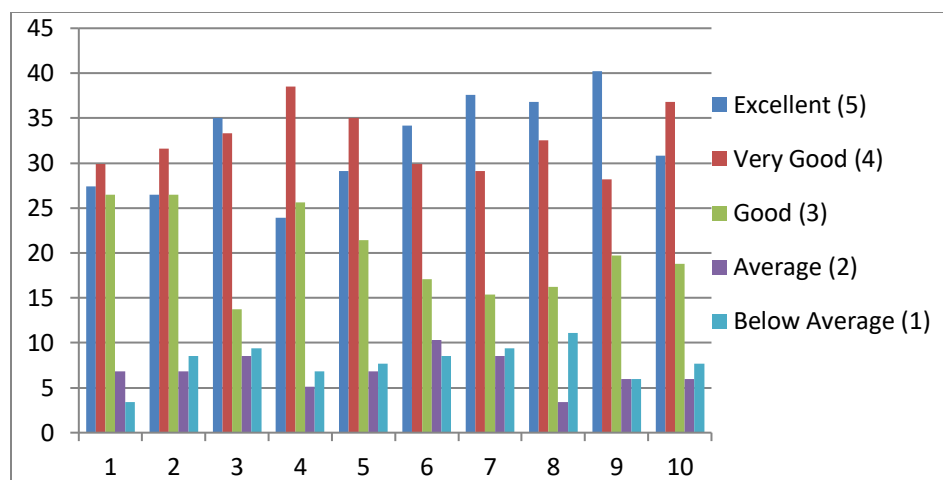

Parents Feedback on curriculum 2020-21

Analysis Report

The parents gives feedback for all the theory and practical courses taught to them in the semester. Shri .R. L. 2017-18**

FEEDBACK ANALYSIS REPORT

2017-2018

Shri R L T College of Science, Akola is offering Co -education ,Single Faculty Science college situated in heart of the city. The college is established in 1970 and crossed 52 years of glorious history. The beautiful architecture of building itself is witness of developing the bright future of many students in various fields of Government and Non-Government sectors, Politics, Games, Indian Army etc.

The college has strong mechanism to analyse and utilise the feedback responses coming from the stake holders including students, parents, Alumni, Hostellers, etc. for the overall development of college.

The students are the most important stake holders of any educational institute because their suggestions delivered through feedback system always helps for the betterment of the institute. The student's feedback questionnaire was taken for the Academic Year 2017 -18 to acquaint with the opinion of the students regarding teaching staff, non -teaching staff, college campus, Quality of teaching, Infrastructure facilities, games and overall performance of the college.

The Feedback Committee take the lead to collected feedback through Offline mode from various stake holders i.e Students, Parents, Alumni, Hostellers etc. scrutinised the suggestion came from all stake holders, put it in CDC meeting and tried to resolve the issue on priority as early as possible to provide all types of facilities to the students.

Feedback Report
2018-19

FEEDBACK ANALYSIS REPORT

2018-2019

Shri R L T College of Science, Akola is offering Co -education, Single Faculty Science college situated in heart of the city. The college is established in 1970 and crossed 52 years of glorious history. The beautiful architecture of building itself is witness of developing the bright future of many students in various fields of Government and Non-Government sectors, Politics, Games, Indian Army etc.

The college has strong mechanism to analyse and utilise the feedback responses coming from the stake holders including students, parents, Alumni, Hostellers, etc. for the overall development of college.

The students are the most important stake holders of any educational institute because their suggestions delivered through feedback system always helps for the betterment of the institute. The student's feedback questionnaire was taken for the Academic Year 2018 -19 to acquaint with the opinion of the students regarding teaching staff, non -teaching staff, college campus, Quality of teaching, Infrastructure facilities, games and overall performance of the college.

The Feedback Committee take the lead to collected feedback through Offline mode from various stake holders i.e Students, Parents, Alumni, Hostellers etc. scrutinised the suggestion came from all stake holders, put it in CDC meeting and tried to resolve the issue on priority as early as possible to provide all types of facilities to the students.
