“One Day Workshop on Essence sticks and Paper Bags Making” on Date: 20/12/2018

The NSS unit of the college organized one day workshop in collaboration with CRYSTAL Club, Department of Chemistry. The workshop was on the manufacturing of fragrance stick to make village people, especially women self-employed and to develop a practical skill among them. Students of CRYSTAL Club gave the demonstration how to make the fragrance stick and which chemicals should be used to make various types of fragrance. Apart from this the second part of workshop includes the environmentally friendly fragrance preparation by using the temple waste known as Nirmalya. This was the best part of the workshop. Also, to bring the environment awareness among village people, students of our college gave them the demonstration about the making of paper bag. On this occasion, Dr. Archana Sawarkar, member of NSS advisory committee of college explained the benefits of self-employment. She said, ‘The longer that you spend in self-employment, the more confident you become in your ability to survive and thrive on your own, regardless of the situation’. Prof. Sujata Tadam, Coordinator of College Women Cell guided the participants about necessity of self-employment. Total 89 female and 43 male candidates participated in this training programme.
