Report

(Session: -2022-23)

Sant Gadge Baba Amravati University has started C. B. C. S. from the academic year 2022-2023. As per the guideline given by the university, subject teachers have completed their syllabus. In order to know the following objectives, our college has started Remedial Coaching Classes for B.Sc.-I-year students from 2nd to 9th January 2023 in the academic session 2022-23 under the able guidance of Principal Dr. Vijay D. Nanoty.

Objectives:

- ❖ To know the pattern of the question paper.
- ❖ To encourage the students for self-learning.
- ❖ To develop the skills of writing.
- ❖ To develop confidence among the weak/slow learners.
- ❖ To prepare the students for competitive exam by MCQs pattern.

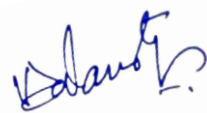

In this session, a total of 489 students were admitted to the B.Sc.-I year. From 8 departments, 27 faculty members with contractual or C.H.B. teachers were engaged in conducting the classes. The subjects covered were English, Marathi, Hindi, Botany, Chemistry, Computer Science, Electronics, Mathematics, Microbiology, Physics, and Zoology.

In this session, remedial coaching has mainly focused on Multiple Choice Questions (MCQs). In the new CBCS pattern, the university exam pattern has changed. Every subject contains 20 marks for MCQs out of 80 marks in their question paper.

Hence, in light of the above situation, every department has started preparing the MCQs question banks with the help of students. The day-wise schedule has been prepared for the smooth conduction of the classes. Every individual student was asked to prepare five MCQs from each unit and present them in front of the other students. In this way, a large number of MCQs were prepared with the help of the students. This activity is very beneficial for preparing for their entrance examination for higher education, self-learning, writing skills, and developing confidence.
