

## Best Practice -3

**Title of the Practice:** Wall Magazine BESST  
(Biological and Environmental Studies with Social Temperament)

**Goals:**

- To create student's interest in life science as well as environment science.
- To provide a platform for students to express their creativity and writing skill.
- To create a living world in words.

**The Context:**

At present a great number of environment issues like threatening the survival of flora, fauna and mankind on earth have grown in size and complexity day by day. It is essential to make the public aware of the formidable consequences of the Environmental Degradation. Hence, to make awareness among students, by the students, the Wall Magazine **BESST** (Biological and Environmental Studies with Social Temperament), an innovative participatory learning project is started for students. Our student authors have put across some amazing pieces of writing in this Wall Magazine.

**The Practice:**

1. Importance of biodiversity and its conservation is explained to students
2. Important Tips for Magazine Article Writing are given to students.
3. Many time students are encouraged for theme-based article writing.
4. Various articles, write-ups which are to be published in the wall magazine are scrutinised by editorial committee.
5. Dr. Archana S. Sawarkar worked as Chief Editor and Dr. Sudhir R. Kohchale, Dr. Rashmi Joshi (Sawalkar), Mr. Shailendra V. Madavi worked as Area Editors for Animal Science, Environmental Science and Plant Science respectively.
6. The first issue of Wall Magazine BESST was release on 11<sup>th</sup> August 2018 with the hands of Principal Dr. V. D. Nanoty in presence of IQAC Coordinator Dr. R.L. Rahatgaonkar and Dr. S.M. Nagrale, Head Department of Zoology.
7. Wall magazine is displayed in first week of every month.

**Evidences of Success:**

1. Students who were hesitate to participate in the classroom activities were also started to participate actively.
2. It created healthy competition among students.
3. They became aware of various amazing facts about living world.

**Resource Required:**

1. Self-motivated and devoted teachers to guide students.

**Problem Encountered:** No
