

THE BGE SOCIETY'S
SHRI RADHAKISAN LAXMINARAYAN TOSHNIWAL
COLLEGE OF SCIENCE, AKOLA

REPORT ON
INNOVATION AND INCUBATION CENTRE

INNOVATION AND INCUBATION CENTER

Shri Radhakisan Laxminarayan Toshniwal College of Science has created an ecosystem for innovation and has initiative for creation and transfer of knowledge through various activities by establishing the Innovation and Incubation centre on the occasion of Golden Jubilee year of the institution. The main objectives of the centre are to nurture the skill of innovation among the students and the people of rural society by conducting the programs, Guest lectures, workshops etc. on IPR, skill development etc. The college also works to bring the small ideas of young minds in to actual results through its innovation and incubation centre. The innovation and incubation centre has aim to empowered the youth by providing the basic infrastructure to fulfil their dreams to make it in to a reality. The centre is Not-for Profit centre and dedicated to promote innovation entrepreneurship among the students and the society.

AIM

To Create an ecosystem for innovation, creation and transfer of knowledge of young minds to make their dreams in to reality.

OBJECTIVES

- To create Awareness in young minds.
- To create a healthy ecosystem to capture ideas from the young minds.
- To inspire students to identify the local problems and their solutions by innovative ways.
- To arrange workshops, seminars and innovative talks to create interest among the students.
- To provide basic funding in the form of seed-fund to transform an ideas or concepts in to real products

Activity Calendar:

Innovation and Incubation Centre of Shri R L T College of Science conducted various activities time to time throughout the academic session to help the students/faculties to boost the knowledge in the area of their interest.

The following activities/programs are conducted by IIC.

1. Mentor Meet
2. Training Program
3. Experts Talks
4. Demonstration by Experts
5. Seminar
