

One Day Workshop on “How to introduce yourself & How to Improve English Communication skills”

On 29th August 2022, Department of Languages conducted One day Workshop on “How to introduce yourself & How to Improve English Communication skills” in Shri R L T college of Science Akola. The workshop began sharply at 02:30 pm.

Head of Department of Languages Mr. Arun B. Khedkar officially gave introductory remark after welcoming the participants.

The first session of the workshop was taken by Mrs. Harshal P. Ganvir. She said introduction is very vital to any communication because “First impression is the last impression”. It creates the image in the mind of audience. For effective communication, she cited 9 golden thumb rules to the students.

The second session was conducted by Mr. Arun B. Khedkar. He emphasized the need & importance of communication skills in academics and professional life. He suggested some important points which will be helpful for effective communication.

Honourable principal Dr. V. D. Nanoty encouraged the students to enhance communication skills. He said that it can be achieved by using English language in day to day communication.

The Workshop was successful as about 72 students were present in the hall and they appreciated a lot. The workshop was organized as per the guidance and instructions of the principal Dr. V D Nanoty who always encourages faculties to organize such programs that will benefit students.

Hindi Diwas Celebration on 14 September 2022

Hindi Diwas was celebrated on 14.09.2022 at Shri R.L.T. College of Science, Akola. Honourable Principal Sir, Teachers and students were present in the celebration. Students expressed themselves with best pieces of Hindi Literature.

The event sharply began at 10:30 am in the morning .Language Department faculty members organised a speech competition for students on Hindi Diwas. Mrs. Sarika Mohan Agrawal conducted the whole program and gave speech on the importance of Hindi Diwas. Total 35 students attended the program. Vidhi Pathak and Nipun Jayawar, Vivek Bhatiya and Dhanashree Rajput were the students who participated in the speech competition. Mr. Arun B. Khedkar conveyed the whole event successfully. Principal Dr. V. D. Nanoty felicitated students and appreciated their enthusiastic participation in the program.

Report on Blood Sugar and BMI detection Camp

(10/10/22)

Microbiology & Biochemistry departments of Shri R.L.T College of Science, Akola have always been keen in dispersing the knowledge and importance of health and related problems. Health is the state of being well and free from illness and conditions like obesity and diabetes are critical health problems faced by majority of global population. Many people are unaware of their conditions due to negligence regarding their health. Basal metabolic rate (BMI) is a primary indicator of a person's physical health. BMI is measure of body fat based on height and weight. Blood sugar is another indicator of health status. It is an important parameter associated with major diseases like diabetes and renal dysfunction.

Understanding the importance of these parameters and the ease of testing, a Blood sugar and BMI detection camp was organized by the Department of Biochemistry & Microbiology on 10th October 2022. The PG students of Biochemistry & Microbiology Department assisted in the testing. Hon'ble Dr. Vedprakash Mishra (Pro chancellor, Datta Meghe Institute of Medical Science, Nagpur), Hon'ble Dr. Tushar Deshmukh (Registrar, Sant Gadge Baba Amravati University, Amravati), Adv. Motisinghji Mohta (President, B.G.E Society, Akola), Shri Pavan Maheshwari (Hon. Secretary, B.G.E Society, Akola), and Dr. V.D Nanoty (Principal, Shri R.L.T College of Science, Akola) visited the camp along with the executive members of The Berar General Education Society. The guests got their BMI and Blood sugar tested. Dr. Vedprakash Mishra and Dr. Tushar Deshmukh questioned the students and appreciated the students for their efforts. All the members interacted with the students and gathered information about their health with respect to BMI and blood sugar. Many students also visited the camp. They gained information from the infographics prepared by the PG students. About 30 people got tested and were informed about their health with respect to blood sugar and BMI.

On this day, new PG laboratory of Biochemistry and student activity unit of Microbiology named MICRANS were also inaugurated by Hon'ble Dr. Vedprakash Mishra, Hon'ble Dr. Tushar Deshmukh, Adv. Motisinghji Mohta, Shri Pavan Maheshwari, and Dr. V.D Nanoty. An inter-collegiate poster competition was also organized by department of Biochemistry & Microbiology in collaboration with the Microbiologist Society, India on theme "Healthy Food: A Gateway to Healthy Life". About 70 students participated in the competition and interacted with the guests on importance of food and health.

Dr. V.D Nanoty and the guests appreciated the efforts of Dr. H.S Malpani (Head, Department of Microbiology & Biochemistry), Ms. S.N Gawande (Asst. Prof. Microbiology), Ms. M.M Deshmukh, Mr. S.A Toshniwal, Ms. M.R Kashid, Ms. R.R Apturkar, and the staff of Biochemistry & Microbiology department for successfully setting up the camp.

Report On Educational Tour To Mahan Water Purification Plant

(24/11/22)

As a part of their curriculum, the students of B.Sc Part III are expected to make an educational tour. Considering their curriculum, the department of Microbiology & Biochemistry of Shri R.L.T College of Science, Akola conducted an educational tour for the students of B.Sc Part III to Mahan water purification plant on 24th November 2022. Total 94 students took part in the visit along with 8 staff members. The students assembled in the college for orientation. Dr. V.D Nanoty (Principal, Shri R.L.T College of Science, Akola) guided the students about the tour and the importance of the visit. He stated the importance of the visit and the learnings that can be brought back. Dr. H.S. Malpani and Ms. S.N. Gawande instructed the students about their safety in the entire visit. The tour began from the campus at 8:30 am. The students and staff were distributed into two buses to ensure comfort and discipline. The buses reached the water purification plant at 9:30 am. After refreshments, the students were then divided into batches to ensure safety and ease of understanding. The authority and staff at the plant guided the students at various processes of purification. The water was stored in huge tanks before starting the process of purification. It was then transferred to the aeration tank where water is exposed to air to introduce oxygen and remove unwanted dissolved gases, volatile substances, and odor. The next process was filtration using rapid sand filters. Huge sand beds were used to filter out bacteria and solid impurities. The plant staff also showed the process of backwashing of the filters. After filtration, the water is disinfected using chlorine of measured concentration. The water is then stored in tanks and considered for distribution. The students learnt about all these processes. The students were then taken to 'Katepurna' dam at Mahan to observe the role of dam in water storage and prevention of floods. To observe the backwaters, the students were taken to Wagha gad temple. The students enjoyed their lunch at the temple. After lunch, students were given an opportunity to discuss their views about the purification process. Some students also showcased their talents in the form of poems and songs. The return journey started at 5 pm and reached the college campus at 6 pm. The students were instructed to submit the tour report containing all the information of the tour. The tour was organized successfully and ensured learning and safety of the students. The staff members, Dr. H.S. Malpani (Head, Department of Microbiology & Biochemistry) and Ms. S.N. Gawande (Asst. Prof. Department of Microbiology) along with Mr. S.A. Toshniwal, Ms. M.M. Deshmukh, Ms. M.R. Kashid, Ms. R.A. Apturkar, Mr. R.S. Pachori, and Ms. R.C. Kadam accompanied the students to the tour.

Report on Poster Competition on theme "Healthy Food: A Gateway to Healthy life"
(10-10-2022)

On occasion of "World Food Week" (10th Oct-16th Oct), Department of Biochemistry and Microbiology in collaboration with Microbiologist Society, India organized an inter-collegiate poster competition for UG students on theme "Healthy Food: A Gateway to Healthy life" on 10th October 2022. Hon'ble Dr. Vedprakash Mishra (Pro Chancellor, Datta Meghe Institute of Medical Science, Nagpur), Hon'ble Dr. Tushar Deshmukh (Registrar, Sant Gadge Baba Amravati University, Amravati), Adv. Motisinghji Mohta (President, B.G.E Society, Akola), Shri Pavan Maheshwari (Hon. Secretary, B.G.E Society, Akola), and Dr. V.D Nanoty (Principal, Shri R.L.T College of Science, Akola) inaugurated this Poster Competition. About 70 students from different colleges participated in the competition and displayed their posters. Dr. Arti Deshpande (Prof. and Head, Department of Microbiology, Shankarlal Khandelwal College, Akola) acted as the judge for the competition and also gave guidance to the students. The students expressed their gratitude for the guidance. Dr. D.D Bhokare (Prof. Department of Microbiology, Shankarlal Khandelwal college, Akola) also visited the event and acknowledged the ideas of the students. The students interacted with the guests and acquired guidance regarding their future avenues. The guests also informed the students about the latest trends in academics and research. They also discussed the importance of food and health and the hunger crises that the world faces today. The students reflected on how their education can be utilized to lessen the global problems associated with food.

On this day, the student activity unit of Microbiology named 'MICRANS' was also inaugurated by the guest along with the inauguration of new PG laboratory of Biochemistry. A blood sugar detection and BMI camp was also conducted.

All the guests appreciated the staff and students for organizing the event. Dr. V.D Nanoty congratulated the organizing committee for such overwhelming response from the participants. Dr. H.S Malpani (Head, Department of Microbiology & Biochemistry), Ms. S.N Gawande (Asst. Prof. Microbiology), Ms. M.M. Deshmukh, Mr. S.A Toshniwal, Ms. M.R Kashid, Ms. R.R Apturkar, and other faculty members of Department of Biochemistry & Microbiology comprised the organizing committee. The non-teaching staff and students worked to make the event successful.
