

Poster presentation

As a part of curriculum activity & to develop the interest of the subject among students, Department of Chemistry arranged Poster presentation of B. Sc. II Year (Sem. IV) students. The topics of poster presentation were from their syllabus and were allotted to students 10 days prior to the date of poster exhibition. Poster presentation was arranged on 16th March 2024 for B. Sc. II Sem IV students in the Chemistry Laboratory no 3 at 12:00 pm.

Objective behind this Poster presentation is delivering a presentation gives you the opportunity to gain immediate feedback on your ideas from your interaction with your audience and from the questions they ask. Presentations are becoming more common as they develop a range of skills in oral and visual communication. With good planning, preparation, and practice you can feel confident of delivering a professional presentation.

The programme was started with the inauguration of “Poster presentation” at the hands of our Respected Head Dr. Poonam Agrawal, madam. Dr. Poonam Agrawal and Dr. Asish Sarap acts as jury member for this Poster presentation and Dr. Kavita Heda acts as an organizing secretary for this Exhibition. Total 138 students participated in this Poster presentation.

For successful organization of this Poster presentation, Dr. P. T. Agrawal, Dr. A. G. Sarap, Dr. Pande, Mrs. Madke, Payal Mahalle, Yamini Patke took efforts. Overall it was a very good experience and a good exposure for all the students who participated.
