## **WORLD SPARROW DAY 20<sup>TH</sup> MARCH 2025**

Department of Zoology, Zebra Cell of Shri R.L.T. College of Science, Akola, celebrated today's WORLD SPARROW DAY. Every year, 20th March is commemorated as World Sparrow Day to create awareness among students about the conservation. The theme for World Sparrow Day 2025 is "A Tribute to Nature's Tiny Messengers.". Dr. Rashmi Joshi organized the event. Prof. Dr. S. M. Nagrale, Head, Department of Zoology, presided over the event and delivered the introductory speech. Prof. Dr A. S. Sawarkar informed students about the innovative practice of Wall Magazine BEEST. Dr. Rashmi Joshi anchored the programme while Dr S. R. Kohchale, Ms Pranali Shirsat, and Ms Radha Kaware were present for the event. The articles written by the students on various themes of the sparrow and its conservation were displayed in the wall magazine on this occasion.
